This is Worth Saving

The following simple home-made mixture is said to relieve any form of rheumatism or backache, also cleanse and strengthen the kidneys and bladder, overcoming all urinary disorders. If taken before the stage of Bright's disease: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after meals and at bedtime.

A well-known authority states that these ingredients are mainly of vegetable extraction, and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have kidney trouble or suffer with lame back or weak bladder or rheumatism should give this prescription a trial, as no harm can possibly follow its use, and it is said to do wonders for some people.

A Hint to Cottage Grove.

Here is an idea that comes from LaGrande, a growing city of Eastern Oregon, that might work well in other towns of the state. The Daily Observer says: "The street committee of the city council is considering the proposition of shipping in cement by the carload, in order that it may construct the city walks at the lowest possible expense, and in case they do they may have some to sell to citizens who have walks to construct. The committee might be induced to order several cars for the benefit of the people if it received sufficient orders. The committee is also considering the proposition of doing the work for others. The idea is, by letting a large contract, the work could be done cheaper than if the individual let the contract himself."

In using cough syrup, why not get the best? One that comes highly recommended is Bees Laxative Cough Syrup, contains Honey and Tar and is superior to other cough syrups in many ways. Children always like it because it contains no opiates, is a laxative and is guaranteed to give satisfaction or your money refunded. Try it. Sold by New Era Drug Store.
