THE SOURCE OF ALL DISEASE

## strength. When this sifes strecam is flowing through the system in a state purity and richness we are assured of perfect and uninterrupted health

 purity and richness we are assured of perfect and uninterrupted health;tecause pure bood bis natures safeguard anainst disease. What, however,
the body is on weak, impure or polluted blood, the system is deprived of Its strength, duscase germs colicect, and the trouble is manniested in various
ways. Fustular eruptions, pimples, rashes and the diferent skin affetions
show that the blood is in a feverish and diseased conation as a result of too much acid or the presence of some irritating humor. Sores and Ulcers are
the result of morbid, unhealthy matter in the blood, and Rheumatism, Ca-
tarrh, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders that, will continue to grow worse as long ns the poisan remains.
These inpuritics and poisons find their way into the boood in various ways.
Often a slugrish, inactive condition of the system, and torpid state of the Otten a sluggish, inactive condition of the system, and torpid state of the
avenues of bodily waste. Jeaves the refuse and waste matters to sour and
form uric and other acids, which are taken up by the blood and distributed iorm uric and other acids, which are taken up by the blood and distributed
throughout the circulation, Coming in contact with contagious diseases is
another cause for the poisoning of the blood; we also breathe the germs and microbes of Malaria into our lungs, and when these get into the blood in
bufficient quantity it becomes a carricr of disense instead of health. Soue
are so unfortunate as to inherit bad blood, perhaps the dregs of some old constitutional disease of ancestors is handed down to thems and they are
constantly annoyed and troubled with it. Bad sood is tice oource of all dis-
ease, and until this vital fluid is cleansed and purified the body is sure to ease, and until this vital fuid is cleansed and puritied the body is sure to
suffer in some way. For blood troubles of any charater S. S. S. is the best
remedy ever discovered. It goes down into the circulation and romoves any
 greatest tonic, made entirely of roots, herbs and barks, and is absolutely
harmless to any part of the system. S. S. S. is for sale at all first clas goug stores. Book on the blood and any medical advice free to all who wria
