

PUSH OREGON TO THE FRONT

AN EASY WAY TO ADVERTISE THE STATE

And Tell Our Eastern Friends All About the Superior Opportunities We Possess.

On April 23rd last the Oregonian published a special advertisement devoted exclusively to the exploitation of Oregon. It probably contained more general and concise information about Oregon than any one publication that has ever been issued. It is practical, useful and valuable to the home seeker, because it gives the facts and most reliable information about so many different subjects that the homeseeker is naturally interested in. Almost every department of industry is specialized, and descriptive and statistical information of a highly valuable character is given extensively and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted East, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work now without cost and very little effort. If you want your friends would be interested in knowing more about Oregon and might eventually become a prospective citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation Company or Southern Pacific at Portland, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1st and continuing daily for two months, tickets will be on sale at almost every railroad station in the East to all points in Oregon and the Northwest at what has come to be popularly known as "colonist rates." These rates are the cheapest general long distance rates ever established and enable one to reach Oregon from any part of the United States at but a trifle more than one cent a mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before-hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and heeded by the time the rate goes into effect. Send one name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send them to your nearest Southern Pacific agent or to Wm. McAdams, General Passenger Agent, Portland, Oregon.

This is Worth Saying

The following simple home-made mixture is said to relieve any form of Rheumatism or lumbago, also cleanse and strengthen the kidneys and bladder, overcoming all urinary disorders. If taken before the stage of Bright's disease: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after meals and at bedtime.

A well-known authority states that these ingredients are mainly of vegetable extraction, and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have kidney trouble or suffer with lame back or weak bladder or rheumatism should give this prescription a trial, as no harm can possibly follow its use, and it is said to do wonders for some people.

ABOUT OUR PUBLIC LANDS

Small Tract Possesses Be Conserved for the Benefit of the Whole People.

Very many important questions connected with the American Public Lands have been raised by public lands. As a result of these questions...

There are now public lands in Oregon. These lands are being conserved for the benefit of the whole people.
