CRUSADE FOR
PERFECT FRUIT

Fruct Experim. J. Bech, Pays a Visit

Has the Cooperation of all the Fruit

Dealers in the Province of the

West, to foster the growth of the

county, and improve the fruit

trade. It is the present policy of

Mr. J. Bech, the first Leader of

the fruit trade in the district,

who, in his travels through the

province, is constantly at work

in promoting the interests of the

industry.

Mr. J. Bech believes that if the

men of this district will come

together and cooperate, the

results will be most satisfactory.

Mr. J. Bech also believes that

the work of fruit growing and

fruit improvement can be

accomplished in a much shorter

time if the men work together.

Mr. J. Bech believes in the

value of the fruit trade and

the importance of co-operation.

Our Principles Resolved

Prof. Strong and Harris Seven

Principles of the Fruit Growing

Schools of Cottage Grove

Attention and knowledge of the

principles and practices of fruit

growing and fruit improvement

are absolutely necessary to the

success of any fruit grower.

Our principal resolutions are:

1. To form an association for

the purpose of fruit growing

and improving.

2. To have the cooperation of

all the fruit dealers in this

district.

3. To have the cooperation of

all the fruit growers in this

district.

4. To have the cooperation of

all the fruit dealers in the

province.

5. To have the cooperation of

all the fruit growers in the

province.

6. To have the cooperation of

all the fruit dealers in the

province.

7. To have the cooperation of

all the fruit growers in the

province.
