

INCREASED COST.

The Expense of Publishing Newspapers Greatly Increased.

Like everything else, the cost of publishing a newspaper has increased. A dozen or so years ago the getting out of a paper was comparatively inexpensive. Help was cheap, paper stock was low, and less reading matter was required. Today printers get sixty per cent more in wages than they got twelve years ago and another increase is to go into effect September 1. The price of paper stock has risen fully a third and is still rising.

The introduction of the linotype into newspaper offices was felt to be the downfall of compositors, but time has shown that there are more men and women at work today on newspapers than ever before. The reason is that newspapers give more for the money than formerly, give more reading and a larger and better paper in every way than was the case in former years.

There is nothing on the market that people get so much of, for their money as they do in newspapers at the present time. It is rich in news, full of entertainment, indeed, a necessity for the counting room, the store and the home.

With this increase in the cost of preparing and getting out papers will certainly come increased rates of advertising for the merchants, for there is nothing else left for the papers to do.

Many Going to Circus.

The people of this vicinity will have but one opportunity of seeing Ringling Brothers World's Greatest Shows this year, the exhibition at Eugene on August 30 being the only one to be presented near here. It is an opportunity that all lovers of good amusement should avail themselves of, as the Ringling Brothers have organized a circus so excellent, so large and so full of novelty that it is above comparison with any other show.

Foreign agents now stationed in Europe and Asia were instructed last winter to engage every act of prominence regardless of cost, and the result is a performance absolutely monopolizing all the world's best talent. What these agents left for other shows to engage was not considered good enough for the Ringling Brothers to bother with. There are over 300 performers with the circus and 100 big acts, not one of which any other show could afford to pay for. The Riccoboni horses which wear trousers, coats and boots and stand and walk on their hind feet all the time they are in the ring, are the greatest trained animal act the world has ever seen.

If the space were to spare 100 more acts, better than ever before seen in this country, could be mentioned. Suffice it to say that Ringling Brothers have an organization so wonderful as to stand on a plain by itself high above any other kind of amusement. And there will be but one opportunity for the people of this city to see it.

STRAIN TOO GREAT

Hundreds of Cottage Grove Readers Find Daily Toil a Burden.

The hustle and worry of business men.

The hard work and stooping of workmen.

The woman's household cares.

Are too great a strain on the kidneys.

Backache, headache, sideache.

Kidney troubles, urinary troubles follow.

H. Oliver of 1915 West St., Pendleton, Oregon, says: "I speak from experience when I say that Doan's Kidney Pills are a remedy that has much merit and can be depended upon for curing backache and kidney trouble. At a time when my back was so sore and lame that it was all I could do to bend over or straighten up again and the kidneys were diseased, Doan's Kidney Pills did more for me than everything else I had tried. Heavy work and colds have brought a twinge of stiffness in my back since then at times, but a few doses of Doan's Kidney Pills have quickly removed the symptoms. This remedy can be relied upon to end sufferings similar to mine." For sale by all dealers. Price 50 cents.
