

## JUDGE GALLOWAY'S DECISION REVERSED

On the State University Referendum Petition

### MUST GO TO THE VOTERS

Says the State Supreme Court--Improvements at the University Will be Held Back as a Result.

The state supreme court handed down decisions Tuesday on the referendum cases appealed from Judge Galloway's court. The cases were: Palmer & Walker, appellants vs. Secretary of State Benson, a mandamus suit to compel him to accept and place on file the petitions for the referendum of the State University appropriation act, rejected on the ground of insufficient title. John F. Logan, respondent vs. the Secretary of State, appellant, and Sheriff R. L. Stevens, of Multnomah, respondent vs. the Secretary of State. These are suits to enjoin the Secretary of State from filing the petitions of the referendum on the Freeman compulsory railroad pass bill, respectively, because of omissions of the voters' warning clause.

The suit involving the validity of the State University appropriation act petitions came up on mandamus proceedings against Secretary of State Benson, instituted by Cyrus H. Walker and Eugene Palmer, of Linn county, on behalf of the grange, to compel him to accept and place the petitions on file notwithstanding the opinion of Attorney-General Crawford holding them invalid on account of the insufficiency of the title of the act to be referred as stated in the petitions.

Judge Galloway held in substance, that the referendum petitions in the three cases were insufficient and void upon several counts, but principally because of insufficiency of the title of the act to be referred in the case of the State University appropriation bill and the omission of the warning clause from the compulsory railroad pass act and the Multnomah county sheriff's prisoners' act and likewise the University bill.

President Campbell of the University, in speaking of the decision says:

"Of course we are disappointed the Supreme Court has decided against us, but the only thing to do now is to make the best possible with what we have. The efficiency of the University need not be seriously affected this year, for, while I cannot make promises for the faculty, I believe they will prove as loyal as they did two years ago when the general appropriation bill, including the money for the University, was held back. At that time members of the faculty agreed to accept reductions in their salaries, the deficiency to be made up if the appropriation were released, and I believe the faculty is just as loyal now as it was then. Professors stayed, not because they had nowhere else to go, for many received flattering offers from other places, but because they believed in Oregon and in the State University."

"The University will get along very well, and if the faculty prove as loyal as before, the individual student need not feel the loss for this year. Of course we could use more equipment. We need \$10,000 worth more of books for the library and more furniture for the new library building. Some new equipment has been added the past year in the engineering departments, so they are in fairly good shape."

"This withholding of the appropriation simply makes the University mark time instead of advancing as we would like."

"There will probably be a meeting of the board of regents within two weeks to decide what shall be done."

### STRAIN TOO GREAT

Hundreds of Cottage Grove Readers Find Daily Toil a Burden.

The bustle and worry of business men,

The hard work and stooping of workmen,

The woman's household cares.

Are too great a strain on the kidneys.

Backache, headache, sideache,

Kidney troubles, urinary troubles follow.

H. Oliver of 1915 West St., Pendleton, Oregon, says: "I speak from experience when I say that Doan's Kidney Pills are a remedy that has much merit and can be depended upon for curing backache and kidney trouble. At a time when my back was so sore and lame that it was all I could do to bend over or straighten up again and the kidneys were deranged, Doan's Kidney Pills did more for me than everything else I had tried. Heavy work and colds have brought a twinge of stiffness in my back since then at times, but a few doses of Doan's Kidney Pills have quickly removed the symptoms. This remedy can be relied upon to end sufferings similar to mine." For sale by all dealers. Price 50 cents
