THE NEW ARMORY

Is Now Being Fitted Up for the Use
of Co. E. O. N. G.

The interior of the large store building west of the bridge lately vacated by W. A. Hemenway, is being transformed and put in a condition for an armory building for Co. E. O. N. G. Although not as large as could be desired, it will make fairly good headquarters for the company. The store room proper will be used for general tactics and drill, while the two rooms in the rear, one will be used for the captains and officers headquarters and the other as an arsenal for guns and equipments, and both will be fitted up according to the needs. The company, we understand, has taken a lease for three years, at the end of which time, they believe the state will probably furnish the necessary quarters. Co. E. of Cottage Grove is, we believe the youngest company in the state, but at the Roseburg encampment they took a place in the front rank for efficiency, and one of them represented Cottage Grove in the competing rifle team at Port Clinton, Ohio.

A SAD CASE OF SUICIDE

Aaron Kelly of Coast Fork Swallows
a Dose of Strychnine.

Aaron Kelly of Coast Fork, who is well known in this place, committed suicide Monday night by swallowing a dose of strychnine. It appears that a week or ten days ago he went to Roseburg to prove up on his homestead, but as he told his wife after his return home, his memory seemed to become a blank and he testified to matters which were entirely wrong, among which was that he was married in 1892, when in fact he was a single man at that time. Fearing that he had perjured himself to such an extent that he would lose his homestead, it so preyed upon his mind that he became mentally unbalanced. After his return from Roseburg he told his family what he had done but nothing they could say seemed to relieve his mind. His father went to Roseburg on Saturday to see what could be done to straighten matters there, and will be greeted with the sad news of the death on his return. On Saturday Mr. Kelly was in town and it appears he transferred all his property by deed to his wife and also purchased the poison which he took.

He leaves a wife and two small children to mourn his loss, who have the heartfelt sympathy of their neighbors, who speak in high terms of the upright character of the deceased. It is known that he has been a sufferer from rheumatism for some time, and it is supposed that while at Roseburg the disease struck the spine, causing him a loss of memory for the time being, and which has resulted in such a tragic manner.

The latest person to be shot by a companion out hunting was mistaken for a coon. Some of these hunting idiots would mistake a mosquito for a man.

MORE IMPROVEMENTS

To be Occupied by the Pacific Telephone Co. and Modern Pharmacy.

Last spring, on information gathered from the principals, the Nugget published a list of a number of improvements and new buildings proposed to be done in Cottage Grove this year. Most of them have been completed and add much to the appearance of our city but some of them have been postponed for one reason or another until next season. Although it is rather late, however, one more big improvement is to be added to Main street, the enterprising owners of the property having decided to build as they planned to do earlier in the season, and the building will be rushed to completion as rapidly as possible, if they are not handicapped by lack of mechanics or obtaining material, and work commenced this week on the new brick building on the Stewart block next to the Hotel Oregon on Main street, to be occupied by the Pacific Telephone Company and the Modern Pharmacy. The building will be 50x95 feet and two stories high. The upper floor will be fitted up into office rooms. The front of the first story will be plate glass when completed, which will be about the first of January, it will be one of the handsomest buildings in the city.

A PISTOL DUEL

In Which a former Cottage Grove Marshal was Involved.

A pistol duel occurred on Saturday afternoon at Marcola in which one man by the name of Charles Crowley was almost instantly killed, and Bert Nunn, formerly marshal of this city was seriously injured and from the effects of which he died Monday afternoon. The trouble seems to have arisen from the fact that Nunn was a witness in the trial of Mrs. Alice Cruzan at Eugene for selling liquor, for which she was convicted, Crowley being interested, and it is said that he made threats against Nunn several times during the day, and when they met he opened fire on Nunn who returned the shots with the results as stated.
