The New Armory
In New Being Fitted Up for the Use Of
C. E. G. N. E.
The interior of the large store building at the corner of North and East streets, erected by W. A. Hanway, is now in a state of preparation and is to go to a
revolution for an armory building for C. E. G. N. E. Although so large as to be desired, it will be a very good headquarters for the company. The store is a
properly will be used for general purposes, as it is divided
into a series of rooms in the rear, one will be used for the store, two for the capitan's quarters and the office as an
armory. The top floor is now
ready for the boards
and windows to be fitted up according to the order. The top floor will be added, but takes a beav for a few weeks at the end of which they believe the store will probably
become the necessary quarters. Office of Cottage Grove.

A SAD CASE OF SUICIDE

Joseph Cool of Cottage Grove swallowed a dose of strychnine.
