

**Cars by November 15th.**

Officials of the Oregon Electric railway company are being chosen and the operating staff organized. It is expected to have electric trains running by November 15 between Portland and Salem. Guy W. Talbot, general manager, announces the following appointments: Geo. F. Nevins, traffic manager and auditor; James B. Kerr, general counsel and Dr. E. F. Tucker, chief surgeon.

All the new officials are well known and have had extended experience with other railroads. Mr. Nevins is now general freight and passenger agent and auditor for the Corvallis & Eastern railroad. His successor with the Harriman line has not yet been chosen.

George B. Moffatt, of the banking firm of Moffatt & White, New York, which is building the new line, and W. S. Barstow, head of the contracting firm attending to the construction, will reach Portland for a visit on September 25. They are coming to look over the work so far accomplished.

Good progress is being made and when the officials go over the line it will be well along towards completion. The last stretches of grading are now being finished up. The high bridge spanning the Willamette river at Wilsonville is practically complete and construction trains are running over it. Everything indicates that trains will be running on the line not later than November 15.—Oregonian.

The hustle and worry of business men, The hard work and stooping of workmen, The woman's household cares, Are too great a strain on the kidneys.

Backache, headache, sideache, Kidney troubles, urinary troubles follow.

H. Oliver of 1915 West St., Pendleton, Oregon, says: "I speak from experience when I say that Doan's Kidney Pills are a remedy that has much merit and can be depended upon for curing backache and kidney trouble. At a time when my back was so sore and lame that it was all I could do to bend over or straighten up again and the kidneys were deranged, Doan's Kidney Pills did more for me than anything else I had tried. Heavy work and colds have brought a twinge of stiffness in my back since then at times, but a few doses of Doan's Kidney Pills have quickly removed the symptoms. This remedy can be relied upon to end sufferings similar to mine." For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
