

**SOME NEWSPAPER DONTs**

In a paper read recently before a woman's club in the east some valuable don'ts that meet with the approbation of newspaper men everywhere were listed. Among them were the following:

Don't come to the newspaper office Thursday that happened Monday. Come on Monday.

Don't come at two minutes of 3 o'clock when the paper goes to press at two minutes after. The

assassination of the president of the United States would be resented at that hour.

Don't go to the managing editor and ask that a legitimate news story be kept out. It would be just as unreasonable and just as indelicate as to go to the banker and ask him to give you money, or to the lawyer and ask him to give up one of his cases. A newspaper is a business enterprise. When you ask it to keep out news, you ask it to injure its own business.

**STRAIN TOO GREAT**

**Hundreds of Cottage Grove Readers Find Daily Toil a Burden.**

The hustle and worry of business men.

The hard work and stooping of workmen.

The woman's household cares.

Are too great a strain on the kidneys.

Backache, headache, sideache, Kidney troubles, urinary troubles follow.

H. Oliver of 1915 West St., Pendleton, Oregon, says: "I speak from experience when I say that Doan's Kidney Pills are a remedy that has much merit and can be depended upon for curing backache and kidney trouble. At a time when my back was so sore and lame that it was all I could do to bend over or straighten up again and the kidneys were deranged, Doan's Kidney Pills did more for me than everything else I had tried. Heavy work and colds have brought a twinge of stiffness in my back since then at times, but a few doses of Doan's Kidney Pills have quickly removed the symptoms. This remedy can be relied upon to end sufferings similar to mine." For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.
