**About Advertising**

A store "special sale" that is not well advertised is a "sale" in name only. The woman who does not read ads is rather heavily taxed for her eccentricity. Occasionally a "half advertised" store enjoys a little more than a "half prosperity." And about half the stores are advertised about half enough. Any "plain unvarnished tale" of what you have to sell or what you would like to buy or secure, is good advertising if it is placed in the best advertising medium. Unless a business enterprise is "beyond hope," a quick resort to the "advertising treatment" will pull it through. Many "marvelous cures" are accredited to newspaper advertising.

**WHAT THE KIDNEYS DO.**

Their Unceasing Work Keeps Us Strong and Healthy. All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right, you will have no trouble with your kidneys. Philip Hohl, blacksmith, living on the west side, Cottage Grove, Ore., says: "I can recommend Doan's Kidney Pills as being a reliable kidney remedy, and all that is represented to be. I had heard so much about this medicine that when my son contracted kidney disease I advised him to use Doan's Kidney Pills. He did so, procuring them at the Benson Pharmacy, and since he used this remedy he is better in every way and all signs of kidney disease has left him. I know of many others who have used Doan's Kidney Pills with the most satisfactory results and I have no hesitancy in recommending a remedy of such great merit as Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
