KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poison-
ous waste matter from the blood as it passes through them, the poisons are carried by the
circulation to every part of the body, deranging the different organs. This causes heart
trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the
whole system, and the diseases that have
resulted from disordered Kidneys disappear,
because the cause has been removed. Com-
mence taking FOLEY'S KIDNEY CURE
at the first sign of danger. Do not risk
having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.
Mr. Robert G. Burns, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an oppor-
tunity of telling what magnificent results I have had from using FOLEY'S KIDNEY
CURE after having tried other advertised medicines and several physicians. Before I began
it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up
with dropsy and my eyesight was so impaired that I could scarcely see one of my family
across the room. In fact, I was so badly used up that I had given up hope of living when I
was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked won-
ders, and before I had taken the third bottle the superfluous flesh had gone, as well as all
other symptoms of Kidney trouble. My friends were surprised that I was cured, as they
all thought I was going to die. Every few days some one comes from miles away to learn
the name of the wonderful medicine that cured me of Bright's Disease, and not one that
has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
