**M. W. A. Picnic at Crow.**

Cottage Grove camp M. W. of A. were represented at the County Annual picnic at Crow, by J. Baker and wife, LeRoy Woods and wife, Charley Tompkins, and L. C. Hutchinson. The weather was very unfavorable but at least 1000 people attended. The programme was carried out as advertised with exception of the fat man's race. There were plenty of fat men there but it wasn't a good day for the race (the human race.)

In the morning a fine speech was delivered by Mr. Miller, the state lecturer, and in the afternoon Neighbor Simmons, state organizer, delivered one of his characteristic speeches with a real live goat attachment which made a hit, not on, but with the audience. The Web Foot camp deserves much credit for the success of the picnic. They had the grounds in the grove nicely cleaned and plenty of seats to make all comfortable. The Crow band discoursed good music and plenty of it. When lunch time was announced the hospitable Crows brought out great clothes baskets and wash tubs filled with "yaller" legged chickens, etc., and say! the writer got up that morning at 3 o'clock and rode 7 hours and walked over the mountain on account of the muddy road so you can draw your own conclusion. The sports were enjoyed by all who could see them. There was chopping and sawing contests, sprinting, boys and free for all, high jump, tug-of-war between M. W. A. team and a picked team from crowd. This was won by M. W. of A. Pillow fight etc. but the feature of the day was a baseball game between Eugene High School team and a picked team of M. W. A., won by High School, score 11 to 6. The I. O. O. F. and M. W. of A. lodges at Crow are in a very prosperous condition and own a good building two stories, about 30 by 80 feet. Lodge room above and store room below.

The lower room is vacant at present and a big dance was held until midnight, 80 numbers being sold and 6 set kept constantly on the move.

The writer was entertained at the home of the Hollands, who are prominent citizens as well as M. W. of A. and I. O. O. F. workers, three of them now holding highest offices in Web Foot camp M. W. of A. By the way this same Holland family hold the distinction of being the heaviest family in average weight in Oregon. Nine members, 6 boys and 2 girls and mother weigh 2119 pounds.

The members of the M. W. of A. present met and after hearing report of committees, voted to hold next annual picnic at Lorane.

**Obituary.**

Mrs. Almedia Belle Wooley was born in Davis county, Iowa, December 15th, 1861. When but three years old her parents, Rev. Hamilton Wallace and his estimable wife, brought her across the plains and settled near Cottage Grove, Oregon. Here she grew to woman's estate, and on the second day of October 1881 she was married to Frank Wooley. To them have been born eight children, five, two boys and three girls are living, three having died in infancy.

Mrs. Wooley professed faith in Christ when she was eighteen years old, and united with the Cumberland Presbyterian church at Cottage Grove.

During her last illness she repeatedly stated that her faith was in God and on the day before she died said: "Jesus is coming for me," "He has opened the gate for me to pass in." She departed this life June 3, 1905, aged 43 years, 5 months and 18 days. Her pastor said, "I believe, could we hear her voice, she would be saying: 'Weep not husband and children for me,

The following is the text used: "I'm going back to my old home—I'm going back to my old home—I'll leave these mountains rough and high. And go to Kansas hot and dry. I will not stay and go to work—I'd rather be where I can shirk. I've got relation there, you know, To bum on for a year or so; And if they think it not their duty To keep me simply for my beauty, And try to make me go to work, I'll fight against it like a Turk. Or in the Arab's silent way, I'll fold my tent and steal away; And if things turn out right I may—Steal something more than just away."

**What it Costs to See the Fair.**

Visitors at the Lewis and Clark Exposition will be surprised to find how cheaply the big fair may be seen. The expenses of a trip depend largely, of course, upon the individual who makes the trip. The following is a conservative estimate of the entire cost for a trip to the Exposition and return:

Five day visit \$20.95; ten day visit \$30.95

**Won't Know You.**  
If you toot your little tooter and then lay aside your little horn, there's not a soul in ten short days will know that you were born. The man who gathers pumpkins is the man who plows all day and the man who keeps it humping is the man who makes it pay. The man who advertises with a short and sudden jerk is the man who blames the editor because he didn't work. The man who gets the business has a long and steady pull and keeps his trade paper from year to year quite full. He plans his advertisement in a thoughtful, honest way and keeps forever at it until he makes it pay. He has faith in all the future, can withstand a bankrupt shock, and like a man of Scripture, has a business on a rock.—Exchange.

**A \$2,500 Farm Residence.**  
Morris Webber, the enterprising Edenbower farmer and fruit grower, has just awarded a contract for a \$2,500 farm residence to Messrs. Harding and Dyer, the contractors late from Cottage Grove.

This rural home is soon to be erected on Mr. Webber's productive Edenbower farm which will, when completed, be one of the most convenient and attractive farm homes in that neighborhood.—Roseburg Plaindealer.

**Furniture Store Changes Hands.**

Thursday Veatch & Briggs sold their furniture store to Bert Lawson, who was formerly one of the owners under the firm name of Martin & Lawson.

As Mr. Lawson is engaged with a Portland paint company for whom he is now traveling, he will be unable to take personal charge until about the first of August. Meanwhile Thos. Jenkins will have charge of the business.

**Drain Normal School.**

The State Board of Education composed of Gov. Chamberlain, Secretary of State Dunbar, and Superintendent of public instruction Ackerman were in Drain Thursday considering with the board of regents and faculty of the school, future plans for its existence. It is feared that with four state normal schools, the people will not vote funds to pay the expenses of so many.

**JUDGE WHITNEY'S EXPERIENCE**

One of Albany's Most Prominent Citizens Cured of Deafness by Dr. Darrin.

Eugene Journal

Judge Whitney, so well and favorably known throughout the country and state, is another witness to the workings of electricity, as he has just come out of the "electrical chair" not electrocuted, but cured of deafness by Dr. Darrin, the specialist, who is now located at the Hotel Smeede, Eugene. Dr. Darrin is perfectly frank in telling each one the true condition of his or her case, and just what might be expected as the result of treatment, or whether any treatment would do good.

The rooms of Dr. Darrin are often crowded, and he is kept constantly busy. There are a great many people who will be glad to know that the doctor has been prevailed upon to visit Eugene.

**JUDGE WHITNEY'S OPEN LETTER**

Albany, Oregon.

Dr. Darrin—Dear Sir: Your electrical and other treatment of my ear has been entirely successful. I have been for a number of years past troubled with a roaring in one of my ears, and I was gradually losing my hearing from some cause. My hearing had become so impaired that it was difficult for me to hear any person talking in an ordinary conversational tone of voice. A short time ago I commenced taking treatment from you for the roaring in my head and deafness. The roaring in my head has entirely ceased and my hearing has returned so that I can hear as well as I ever could. You are at liberty to refer any one to me or publish this letter. Very respectfully,  
J. J. WHITNEY.

**DR. DARRIN'S PLACE OF BUSINESS.**

Dr. Darrin can be consulted free at the Hotel Smeede, Eugene, Ore., until July 1st from 10 to 5 o'clock daily; evenings, 7 to 8; Sunday, 2 to 4 p. m.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from apathy or indifference; also genitourinary and skin diseases, in either sex, such as blood taint, seminal weakness and lost vigor, varicocele and stricture.

All curable chronic diseases treated at \$5 a week, or in that proportion of time as the case may require. The poor treated free except medicines, from 10 to 11 daily. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. One visit is desirable, though many cases can be treated by home treatment by writing symptoms.

**Round Trip for One fare.**

The Southern Pacific railroad has decided to make a rate of one fare for the round trip from Portland to all points in Oregon to as far south as Ashland, for visitors from the East to the Lewis and Clark Exposition, to enable them to look over western Oregon, that they may have an opportunity to locate or invest.

The tickets will be good for 15 days, with stop over privileges. Holders of Exposition round trip tickets from the east can purchase these tickets at this rate, it will depend upon the energy shown by the community as to the number of visitors secured.

**"Five Hundred Dollars Reward."**

The Southern Pacific Company will pay Five Hundred Dollars reward for information leading to the arrest and conviction of any one of the persons who maliciously placed ties on track at private road crossing two miles east of Albany, April 2nd 1905.

**Bright's Disease and Diabetes.**

We desire to place in the hands of those afflicted with Bright's Disease and Diabetes a 30-page pamphlet that is saving human lives. It is not an ordinary pamphlet, such as is commonly used to advertise medicines, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing 87 per cent of recoveries in these hitherto incurable diseases.

The specifics employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases so long fatal (the deaths from Bright's Disease alone are appalling, over 100,000 a year, starting as kidney troubles) have at last yielded to medical science. The pamphlet is free. Write to the John J. Fulton Co., 409 Washington street, San Francisco, Cal.

When to suspect Bright's Disease—Puffy ankles or hands; weakness without apparent cause; kidney trouble after third month; frequent urination; may show sediment or cloudy on standing; falling vision; day drowsiness—one or more of these.
