Out West, Los Angeles.....2.50

SATURDAY.....JUNE 16, 1905

Those people having children attending school should take special interest in the election of a director and clerk which will occur at the east side school house on Monday.

The grading of 4th street from the northern end to the south line of the city has been let to George Lea for the sum of \$1900. He began work Wednesday with men and teams and will after getting the proper grade, cover the entire length with a coating of gravel. It is likely 5th street will be the next ordered graded.

The many friends of Prof. A. L. Briggs are very much pleased to learn of his election to the presidency of the Drain Normal School. Prof. Briggs was, for four years principal of the schools of Cottage Grove and during his administration they were considered the equal of any in the state. During the past year the professor has been a teacher in the institution to which he has been elected president and the Regents have had an opportunity to learn of his merits as a citizen and ability as an instructor.

We congratulate the professor upon his promotion which was unsolicited by him; also the school upon securing so competent a president.

The little town of Drain, where one of the State Normal Schools is located, shows a nerve and enterprise worthy of a much larger place and which might well be emulated by many other places in the state. The last legislation made no provision for the payment of the teachers and expenses of the Normal Schools and rather than have the school closed, the citizens of Drain have raised among themselves the sum of \$10,000 and deposited it with the clerk of the board of Regents for their use in continuing the school the coming year. They may be reimbursed some time, nevertheless they are entitled to great credit for their efforts to maintain the school.

Some Advice.

The following taken from the Blue Mountain American is not used because it is applicable to Cottage Grove or any of its citizens, as we don't have that kind of people among us, but is good reading for other places.

TOWN KILLERS.

"If you want to help a town do the following:

1. Go out of town to do your shopping.
2. Oppose all improvements.
3. Prefer a quiet town to one of good business.
4. Lack feeling of public spirit and deride those who have.
5. Oppose every improvement that did not originate with you.
6. Oppose everything that does not benefit you directly.
7. Seek to injure the credit and reputation of every business house and individual.
8. Tell strangers the town is dull and you don't know if it will ever amount to a tinker's darn (and be sure to tell them that it wouldn't be so if the citizens and newspapers would act on your suggestion.)
9. Harp continually on hard times and show a feeling of uncertainty. And if it is a mining town like Sumpter, that depends almost wholly on its mineral resources, condemn every mining enterprise no matter how good it is or how little you know about it.

But above all don't own a foot of real estate or have one dollar invested in any class of business and then stand on the corner and criticize severely as you can, even if you have to use cuss words to do so; the manner and methods adopted by good citizens, who have coin of the realm invested, to advance every possible interest of the town."

G. A. R. CAMPGROUND READY

Major Bell invites Old Soldiers to Come to Sellwood Park.

Oregonian.

Major T. C. Bell, superintendent of the G. A. R. campground in the park at Sellwood, has issued notices that the grounds there are ready for campers. The campground is free to G. A. R. and Women's Relief Corps members and families. Bull Run water is to be had in the park. Cars stop at the park. Tents and cots have been put up for rent at low price. There will be a restaurant on the ground. Major Bell has made arrangements to keep a complete register of all visiting comrades, giving the regiment and state from which the veterans come. For campers there is an abundance of fuel free from the near-by sawmill.

Immediately following the encampments at Oregon City, for Oregon, and at Vancouver for Washington, the veterans will gather at the park for the first big campfire. The Sellwood Park will be the gathering place of the veterans this summer, when they are not attending the Fair, and they expect to have an all-Summer reunion. Old soldiers who have not met since they parted on the battle-fields at the close of the war, or when they were discharged, will here renew their comradeship in a succession of camp fires, around which the old stories will be told by those who were the characters and actors. Members of the local post say that the old soldiers are everywhere looking forward with pleasure to the reunions and campfires that are planned for the Summer in Sellwood Park. The people of Sellwood have responded quite liberally toward cleaning up the grove, and will do their part in making the stay of the old soldiers and families, who may camp at the park, pleasant. Major Bell is ready to give any information concerning the grounds and how to reach them.

Civil Service Examination.

The United States Civil Service Commission will hold an examination on the dates and at the places within the State of Oregon, named below, to secure eligibles from which to make certification to fill vacancies as they may occur in the position of Forest Ranger in the Forest Service of the Department of Agriculture.

Baker City, Oregon, July 24, 25, and 26, 1905. Prineville, Oregon, August 1, 2, and 3, 1905. Hood River, Oregon, August 9, 10, 11, 1905. Detroit, Oregon, August 16, 17, and 18, 1905. Grants Pass, Oregon, August 23, 24, and 25, 1905. Lakeview, Oregon, August 31, September 1, and 2, 1905.

The examination will consist of answering practical questions in writing and in field examination to test the ability of the applicants to actually perform the duties of a forest ranger.

In the field examination applicants, among other things will be required to shoot at target with rifle and with pistol, and should bring with them these arms for the test.

The age limit will be, from 21 to 40 years on the date of the examination. This examination is open to all citizens of the United States who comply with the requirements.

Applicants should at once apply to the United States Civil Service Commission, Washington, D. C., for application form 1093-Amended. No application will be accepted unless properly executed and filed, in complete form, with the Commissioner at Washington. In applying for this examination the exact title of "Forest Ranger" should be used in the application.

For further information apply to the forest supervisor, Roseburg, Oregon.

S. C. BARTRUM
Forest Supervisor.

FOLEY'S KIDNEY CURE
Makes Kidneys and Bladder Right

BORN.

DAMEWOOD—On Monday, to Mr. and Mrs. J. E. Damewood, a 10 pound boy. All are pleased, unless it be the cougars who probably think there were enough male members in the family before this occurrence.

COCHRAN—To Mr. and Mrs. Horace Cochran of Cottage Grove, June 16, a ten pound girl.

Continued Sale.

The reduction sale of millinery goods at Miss Bartels will be continued for two weeks longer. All goods will be sold at a still greater reduction than the past week.

Grading Fourth Street.

On Saturday night the city council at an adjourned meeting let the contract for the grading of 4th

street to Geo. Lea of this city, the contract price being \$1900.

Tuesday morning men and teams began the work.

The blocks adjoining Main street will be graded and graveled the full width and the rest of the way to the city limit south will be graded and graveled sixteen feet in width.

The road from the city south to the river has been put into good condition for travel and when the present work in the city is completed it will make a nice drive way.

Fifth street will be the next to receive attention.

Bright's Disease and Diabetes.

We desire to place in the hands of those afflicted with Bright's Disease and Diabetes a 30-page pamphlet that is saving human lives. It is not an ordinary pamphlet, such as is commonly used to advertise medicines, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing 87 per cent of recoveries in these hitherto incurable diseases.

The specialties employed in these tests are known as the Fulfico Compounds and the results obtained prove conclusively that these dreaded diseases so long fatal (the deaths from Bright's Disease alone are appalling, over 100,000 a year, starting as kidney troubles) have at last yielded to medical science. The pamphlet is free. Write to the John J. Fulfico Co., 409 Washington street, San Francisco, Cal.

When to suspect Bright's Disease—Puffy ankles or hands; weakness without apparent cause; kidney trouble after third month; frequent urination, (may show sediment or cloudy on standing); falling vision; day drowsiness—one or more of these.

THE CHILDREN'S FAVORITE

For Coughs, Croup, Whooping Cough, etc., One Minute Cough Cure is the children's favorite. This is because it contains no opiate, is perfectly harmless, tastes good and cures. Sold by The Modern Pharmacy.

A Birthday Lawn Party.

Thursday night the members of the Presbyterian Church and friends gave at the residence of Frank Jordan, a birthday lawn party to Mrs. Grace, wife of the pastor of the church.

At an early hour the people began to arrive and soon there were some eighty people gathered to enjoy the occasion. The young people played games the older ones visited, a number of musicians entertained with songs and instruments. Rev. Green made a very appropriate talk. A neat little sum of money was gathered and presented to Mrs. Grace as a slight expression of the esteem in which she is held by her friends.

It was eleven o'clock before the people began to disperse to their several homes, but before their departure they all voted it had been a very enjoyable time.

Former residents of New York state now residing in Oregon are requested to send their names and address to Maj. Algar M. Wheeler, 225 W. Park street Portland at once.

A list is now being prepared for publication showing the present and former residence of former New Yorkers.

Visitors to the exposition from New York will be interested in it and many residents here will doubtless discover old friends and form new and personal acquaintances.

The New York society is doing a good work.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Bink of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

Kodol Digests What You Eat.
Bottles only, \$1.00 Size holding 24 times the trial size, which sells for 50 cents.
Prepared by E. C. DeWITT & CO., CHICAGO.

FREE DANCE AT ARMORY

DR. DARRIN WILL REMAIN UNTIL OCTOBER 1

Dr. Darrin's Work is Piling in Such Volume That He is Compelled to Prolong His Visit in Eugene.

This eminent and far-famed specialist has met with such an immense volume of business since coming to Eugene that he finds it absolutely necessary to prolong his visit to October 1. It is a source of gratification to the doctor's friends to know that his skill is being so well and appreciably taxed. His patients are coming from all parts of Oregon and in all curable cases a benefit or a cure is effected. The Dr.'s skill is becoming so well known and his cured patrons so plentiful that his name is a household treasure in hundreds of homes in this vicinity.

The following recommendations from men so well known as Mr. Racey and Mr. Van Osdoll are one of the strongest reasons why people should look into the merits of Dr. Darrin's cures. All contemplating visiting him will do well to call soon as some may need a second treatment.

MR. P. A. RACEY'S CARD.

To the editor:—In 1893 I was almost totally deaf in one ear. I was counselled to try Dr. Darrin then practicing in Portland. His treatment cured me perfectly and permanently so I have never been troubled since. I was successfully treated for catarrh. I have the utmost confidence in the doctor's new mode of treatment by electricity and will gladly tell anyone of my success at Jefferson, Oregon.

P. A. RACEY.

A SALEM MAN'S TESTIMONIAL.

To the Editor:—Seeing so much in your paper concerning Dr. Darrin's cures, I was persuaded to try him on my daughter, who had been afflicted with a distressing discharge of the ear and partial deafness for the past four years. Under the doctor's mode of treatment she is healed. I reside at the corner of commercial and Mission streets, Salem, and am engineer in the Capitol brewery. Refer to me at either place.

J. D. VAN OSDOLL.

SUNDAY AT THE CHURCHES

Christian Science Services

In Woodmen Hall
Sunday, 11 a. m.

Preaching services at the Christian Church Sunday morning and evening. Subject 11 a. m. "With Christ." Subject 8 p. m. "Nineveh or Tarshish.—Which?" A cordial invitation to all.

F. E. BILLINGTON, Minister.

There will be services at the Presbyterian Church, Sunday morning and evening. The subject for the morning hour, "God About Us." The evening subject, "The Investments of a Man's life." Sunday School at 10 a. m. Junior Endeavor, at 3 p. m. Senior Endeavor, 7 p. m. A cordial invitation to all. Strangers and sojourners in the city always welcome.

R. C. GRACE, PASTOR.

Grand Music at University.

Eugene Register.

Over 1000 people assembled in Villard hall Monday night and heard the twenty-ninth annual commencement of the University of Oregon school of music. For two hours that appreciative audience was held fast under the magnetic control of Miss Abby Whiteside, Miss Eva I. Stinson and Prof. I. M. Glen, all accompanied and assisted by Miss Ella McAlister.

It was the best program ever presented by the school of music and evinced the rapid and strong growth of the university department.

A Sensible Move.

Have Tom Awhrey write you up a policy on your home and furniture in the Oregon Fire Relief Association, or your stock of goods in the Aetna Insurance Company.
