School Election

On Monday June 19th at 2
o'clock p. m. at the east side school
house in Cottage Grove, a school
election will be held, at which time
one school director will be elected
to fill the place of Mr. Wooley,
whose term of office expires; also a
clerk of the board. It is under-
stood that neither Mr. Wooley nor
Mr. Awbrey, clerk, will be candi-
dates.

The election of these officers
should be considered as a matter of
importance to the people of the dis-
trict and they should take sufficient
interest in the election to see those
wanted by them are elected,
rather than wait until the election
is over and then find fault the rest
of the year.

If you need an awning, let the
Wynne Hardware Company order
it for you. They know what you
want.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poison-
ous waste matter from the blood as it passes through them, the poisons are carried by the
circulation to every part of the body, deranging the different organs. This causes heart
trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the
whole system, and the diseases that have
resulted from disordered Kidneys disappear,
because the cause has been removed. Com-
mence taking FOLEY'S KIDNEY CURE
at the first sign of danger. Do not risk
having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an oppor-
tunity of telling what magnificent results I have had from using FOLEY'S KIDNEY
CURE after having tried other advertised medicines and several physicians. Before I began
I had to get up from 15 to 20 times each night to relieve my bladder. I was all bloated up
with dropsy and my eyesight was so impaired that I could scarcely see any of my family
across the room. In fact, I was so badly used up that I had given up hope of living when I
was urged by a friend to try FOLEY'S KIDNEY CURE. One six-cent bottle worked won-
derfully. My superfluous flesh had gone, as well as all
drops, and before I had taken the third bottle the superfluous flesh had gone, as well as all
other symptoms of Kidney trouble. My friends were surprised that I was cured, as they
all thought I was going to die. Every few days some one comes from miles away to learn
the name of the wonderful medicine that cured me of Bright's Disease, and not one that
has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
