

A co-operative experiment of a magnitude hitherto untried, is to be attempted in the state. The enterprise is to be known as the "Co-operative Christian Federation," with a capital of Fifty Million Dollars. The objects of the federation are to buy and sell land, to build railroads, to operate factories, mills and dairies in Oregon, to be owned and operated on the co-operative plan. The federation is to be composed of persons of moderate means, and the membership is established after years of study, for the purpose of enabling the wage earner to secure a share of the profits upon his output. It is believed by the promoters that it will prove a solution for all forms of labor question.

Bonds to the amount of \$50,000,000 are to be issued, bearing five per cent interest the principle to be guaranteed by the Title Guarantee & Trust Company, of New York, and interest for the past five years by the Trust Company of America, a New Jersey organization.

The control of the federation, until placed on a paying basis, is vested in the hands of a board of fifty trustees. Thirty-five of these will be prominent eastern capitalists and fifteen will be from Oregon. The fifteen trustees from this state will direct the management of the enterprise during its period of incubation. These are said to include J. Frank Watson, President of the Merchants National Bank of Portland, R. L. Darham, of Portland, N. J. Blagen, of Portland, Samuel J. Connel, president of the lumber mill, C. E. S. Wood, of Portland, L. O. Ralston, president of the Oregon Savings Bank, and Rev. H. S. Wallace, of Portland.

WONDERFUL CURES BY DR. DARRIN

Two Prominent Citizens of This County Relate Their Experience.

Unseen forces are more powerful than seen ones. Electricity performs cures silently but surely. To this many thousands that have been cured can testify. Many who know nothing of it oppose; but truth always meets with fierce opposition, which in the end hastens the victory. We do not profess to understand this unseen power, but joyfully accept the great boon of health, feeling that Dr. Darrin is ahead of the age, and is showing to the world this new method of cure. As an example we append the following testimonials:

To the public:—I was a patient under Dr. Darrin's cure fifteen years ago, and wish to relate my experience that others may benefit by it. For many long years I had been afflicted with diseases peculiar to my sex, accompanied with pain in my chest, heart and stomach. I had lost flesh until my weight was 105 pounds. After a few months' electrical and medical treatment I recovered my health and gained 40 pounds, and am now enjoying good health.

Mrs. F. E. DEWEY,
386 Davis Street, Portland.

E. P. REDFORD'S CARD.

To the Editor:—For four years I have been gradually growing deaf—called catarrhal deafness—until it was with great difficulty I could hear common conversation. It annoyed me very much. I went under Dr. Darrin's electrical treatment and now can hear about as well as ever in my life. Refer to me at Saginaw, Lane county, Oregon.

E. P. REDFORD.

JUNCTION CITY MAN SPEAKS.

Mr. Editor:—I wish to subscribe to the merits of Dr. Darrin's electric and medical treatment. For a long time I have been afflicted with dyspepsia, liver complaint, constipation and generally run down in health. Dr. Darrin has so far relieved me that I feel like a new man. I commend him to all similarly afflicted. I reside in Junction City, Or., and will gladly answer all questions.

E. MOUNTGAARD.

DR. DARRIN'S PLACE OF BUSINESS.

Dr. Darrin can be consulted free at the Hotel Smeede, Eugene, Ore., until October 1st, from 10 to 5 o'clock daily; evenings, 7 to 8; Sunday 2 to 4. The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from apathy and indifference; also genito-urinary and skin disease, in either sex, such as blood taint, seminal weakness and lost vigor, varicoceles and stricture.

All curable chronic diseases treated at \$8 a week, or in that proportion of time as the case may require. The poor treated free except medicines, from 10 to 11 daily. No cases published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. One visit is desirable, though many cases can be treated by home treatment by writing symptoms.
