

GOOD EXAMPLES

How Women Would Soon Reform the Whole World.

If the women would always set a good example it would soon reform the world, as the men are continually following after the women. If a woman could talk out of the two corners of her mouth at the same time there would be a good deal said on both sides. Dr. Darrin wants just such advocates. No one tongue or corner of the mouth can tell of the wonderful cures he is performing daily at his office. The following cases substantiate his wonderful skill:

SPRINGFIELD LADY CURED
To the Editor:—Having been cured by Dr. Darrin, I wish to make it known through your paper. I was afflicted with dyspepsia, cramps and pains in my stomach and sides, and weak heart. My appetite was gone. Thanks to Dr. Darrin's skill with electricity and medicines I am cured of all the above mentioned symptoms. I write this that others may know where to go for a cure. Refer your readers to me at Springfield, Ore.

To the Editor:—For a long time I have been afflicted with an aggravated case of eczema of the ears and face. The ears discharged and I was quite deaf in both ears. With one month's treatment by Dr. Darrin I am happy to say I am cured and gladly say who cured me. I reside in Harrisburg, Ore., and will be glad to give my experience to all.

The Commercial Club held a session Monday night on the smelter question. They had a letter from C. D. Grove, which was ordered published as a supplement to their

pamphlet, and also asked that the Nugget publish same in the paper, which appears this issue. They also had a couple of letters from other parties written on the same subject stating that they would be glad to give them advice later, but could not at present. Mr. F. C. Fuller of Sumpter stated that he would be glad to appear before them in the interests of a smelter a little later, but could not do so at present.

Kodol is a thorough digestant and a guaranteed cure for indigestion, Dyspepsia, Gas on the stomach, Weak Heart, Sour Stomach, Bad Breath and all stomach troubles. L. A. Soper, of Little Rock, Ky., says: "Kodol Dyspepsia Cure deserves all the commendation that can be given it, as it saved the life of our little girl when she was three years old.
