Wm. Landess brought to this office this week a fine bunch of seedless grapes, raised on his place a quarter of a mile east of town. They hung in the window of the office for a time and attracted a great deal of favorable comment. It would not be a bad idea even this late to have a few such bunches at the Fair.

Mr. Stewart expects that the new brick building will be ready for occupancy by the 10th of the month. He greatly regrets the delay that has occurred in the finishing of the building but the shortage of window frames, etc. have made it impossible to complete the work sooner. Crushed rock is being laid on Fifth street and contractor Lea says he will soon have the entire street finished. It would be quite an improvement if Main street had a similar coating of rock, but the council was evidently wise in not wanting that done until Second and Third street were also fixed so that mud would not be carried from them on to Main street. When those streets are fixed next spring, then the council will be ready to order a fresh layer of crushed rock on Main street.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 25 to 30 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 5-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and ask one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
