The United States Civil Service Commission will hold an examination for the position of Forest Supervisor, at the following named places and dates, in the State of Oregon, to-wit: Roseburg, Oregon, October 16, 1905; La Grand, Oregon, October 23, 1905. For full information relative to this examination address the United States Civil Service Commission, Washington, D. C.

The attendance at the lecture of Prof. Newton Thursday night was a pretty bad reflection on the interest the people of the town take in a thoroughly good entertainment or lecture. After such an attendance as greeted Prof. Newton when he was here last year, and the pleasure with which he was received it was naturally expected that a large company would attend his lecture, instead of the handful that were present. Those that did go were amply repaid, for the professor did not allow his rendition to be disturbed by his cool reception. It is regrettable that such an opportunity should be missed by so many people.

The vote on the flag coupons that have been reported to date are as follows: Back votes that have been held must be turned in at once to be counted. Ballot box in Nugget window.

Jack Howard Wins Position.

Jack Howard was appointed Grand Master of Arms at the State meeting of the K. of P's, of which honor he is very proud.

NOTICE!!

All parties who are in the habit of posting notices, signs, or driving nails, tacks, etc. in the telephone or electric light poles of this town are respectfully requested to cease such practice.

H. O. THOMPSON,
DAVID GREGG.

There is a great scarcity of laboring men at the present time in this section and all through the state than has been known before. The Fair at Portland has kept an army busy, the increased work at the lumber mills, the new railroad building, and many large contracts are using every man available.

Farewell Party

The young ladies of the Cottage Grove High School gave a farewell party Saturday evening at Jones' Hall in honor of Miss Nellie Martin, who left for Seattle with her mother Monday. A very pleasant evening was spent. Miss Martin was in the Junior class of the high school.

Old Folks Enjoy a Days Outing.

Mr. and Mrs. John Currie took dinner with Mr. and Mrs. George Currie Monday. Mr. and Mrs. John Currie are pioneers of 1853, having lived on the same farm near here ever since that time. They are 90 and 87 years of age respectively. The visit was one of especial pleasure in that it was the first time in 14 years that Mrs. Currie has been off the home farm. We wish them many such pleasant days.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

E. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
