XVII

COTTAGE GROVE, OREGON, SATURDAY, OCTOBER 21, 1905.

NO. 27

## PUBLIC SCHOOL REPORTS

### Interesting Facts of The High School and West Side School of Cottage Grove.

The attendance is a little smaller for the corresponding month of last year but it is increasing daily and it will probably be at the four hundred mark by the end of the month.

The tardinesses for the past month has been much larger than necessary, in fact, it seems as if tardiness could be eliminated entirely. The parents should see that their children are prompt in getting ready for school.

Excuses are required for all absences, tardinesses or for scholars being dismissed before the end of a session of school. The latter must be brought before the scholar can be excused. Seven days unexcused absence means expulsion, unexcused tardiness counts as a half day of absence.

Several students have been transferred from outside districts to this district which indicates that the Cottage Grove schools are of a good grade.

Miss Kelly was sick and not able to attend to her work for the last two weeks of the past month. She is back this month.

The leading magazines and one daily paper are kept filed in one of the High School rooms for the use of the students in the study of current events. Miss White has charge of this department in the evening assemblies and they are found very helpful. Miss Studly has charge of the music and as soon as the song books arrive, there will be music in the air.

Prof. Strange addresses the scholars several times each week on the events of the world at large, national questions, important happenings and discusses with them on the merits of the books of the day and interest them in keeping abreast of the times in everything. His talks are greatly appreciated as he is well versed.

There are fifty-four enrolled in the High School and there are twelve members in the graduating class, who, if they all finish, will make up the largest class in the history of the High School.

Examinations will be given every two months in the High School and promotion will depend upon the general average of these.

By a unanimous vote of the student body in the High School at the first of the year recesses were discontinued and the students are dismissed at 3:30 p. m.

### West Side School Notes. EIGHTH GRADE.

Mabel Mackie, Edith Alfred, Etta Owen and Ralph Hawley have entered for the full years work.

The first months tests were finished Oct. 10th. These written tests assist the teachers materially, as they show how much each individual pupil is getting from the work.

The new heating and ventilating apparatus is giving good satisfaction and is much appreciated by pupils and teachers.

The eighth grade has formed a literary society with the following officers. President, Mabel Veatch; vice-president Nelson Durham; secretary, Enos Crowley; treasurer, Louisa McKibben; program committee, Gertrude Hogate, Mabel Veatch and Maud Hooper. Committee on constitution and by-laws, Phillip Casebeer, Lester Turpin and Harvey Dyer.

### PROGRAM OF EIGHTH GRADE LITERARY SOCIETY FOR FRIDAY, OCT. 20.

Song—Star Spangled banner, school.

Recitation—The Forward Duster, Luella Dixon.

Song—Little feet be Careful, Marion Hooper.

Dialogue—Behind the scenes, Mattie Bartels, Vera Cochran, Mary McGilvray. Eva Warner and Phillip Casebeer.

Song—Oregon.

Composition—James Atkinson.

Recitation—Music bath charms, Alice Carpenter.

Song—Red: White and Blue, school.

Dialogue—The Gypsy fortune teller, Jesse Heath, Nellie Patton, Hazel Hemenway, Vernie Brown.

Recitation—Graceful Bachelor Bill, Lester Turpin.

Song—America, school.

C. L. STRANGE, Supt.

A double tragedy occurred at Marshfield on Monday in which two former residents of Eugene lost their lives. J. A. Armitage, fully armed forced his way into the home of J. A. Stoops and killed Mrs. Stoops, who, however, in defending herself filled a bullet into his brain. The man left his wife and family at Eugene to follow Mr. and Mrs. Stoops to Marshfield, and has made several attempts on her life before.

## FARM BRINGS GOOD PRICE

Wm Keyes Sells a Portion of His Farm at a Good Price.

Wm. Keyes, three miles south of town has sold 6 1/2 acres of his farm to Mrs. Mount for \$1100. He has begun preparations for a new home, new barn and farm sheds on another part of his place and expects to be splendidly fixed up soon.

### Bohemia Ore Displays.

The ore sent to the Exposition by the Bohemia Mine Owners Association, took a large part of the space in the annex to the Mining building. It was so located that visitors could not well pass through the building without seeing it. The relief map was an attractive feature. Several awards were given the individual exhibits from the Bohemia district.

Now that the Fair is over the ore will be divided into a number of cabinets and placed in conspicuous positions with other collections in Portland, Eugene, Cottage Grove and elsewhere. The Bohemia Mine Owners Association did the district and themselves great credit.

### Defeat but no Disgrace.

Stanford University, Palo Alto, Cal., Oct. 18.—University of Oregon, while defeated by Stanford 10 to 4, made a wonderfully good showing, scoring its four points by a place kick from the field, in the second half. Experience and more practice helped the Cardinals in their scoring, although fumbles by Friesell lost chances for Eugene.

Stanford scored a touchdown and a goal in the first half, and a drop kick in the second half. It was the most evenly contested match that has been held on the Palo Alto grounds. The Northern men showed fast work on the offensive and good end running. It was not until late in the second half that Oregon carried the ball half way down the field, where Moulten made his place kick. The Californians kicked off, and after several good gains, Oregon lost the ball on a fumble.

Stanford went through the Eugene line for 30 yards, and after five minutes of play, pushed the ball across the line. Fenton kicked a goal. It was after the place kick in the second half by Fenton that Oregon rallied. They gained twice on first down, and Jack Latourette went around left end for 20 yards. Friesell was sent out for 20 more, and with the ball on Stanford's 30-yard line, Moulten made the kick.

Every one of the visitors played a good individual game, and the result was highly satisfactory to Coach Shorts. The line-up:

Stanford Position Oregon  
Lyons, Mark L. R. E. Chandler  
Horton and Pemberton L. T. R. Earl  
Thompson, Bogle L. G. R. Mektuney  
Mullino, Cox C. Hug, Spencer  
and Moulten

Stanford, Lamb R. G. L. Hammond  
Gay, Thomas L. Arnsperger and  
Crawford R. T. L. Moulten  
Lane, Fritzell R. E. L. Moores  
Fenton, Launelster Q. Latourette (C)  
Chalmers (C) and Book L. H. R. Friesell  
Vandervoort and Dole R. H. L. Templeton  
Crow, Brennan F. Kerron

If Oregon teams continue to improve, it will not be long before they can stand off California and Stanford and even defeat them.

Last year Stanford beat Oregon 35 to 0, while this year it was a 10 to 4 score. Guess the Californians will have more respect for the Northern teams in the future.

Miss Harlow, who represented the Leader at the Fair.

### Capitalists Pay Visit to Eugene.

Eugene.—John Pitcairn, Howard Butcher, Jr. and Clarence M. Brown, members of the Philadelphia firm of Rhoades, Sinkler & Butcher, which recently acquired the local electric plant, arrived in Eugene last evening on an inspection tour. They were accompanied by I. W. Anderson of Spokane, one of their western representatives.

They state that they are here simply to inspect their new possessions and have nothing to say regarding the proposed electric railway between here and Portland.

### Booth-Kelly Company Starts Mill After Three Years' Idleness.

Eugene.—Arrangements are being made by the Booth-Kelly Lumber Company to resume operations at its big plant at Wendling about November 1. The mill has been idle three years.

Already logging operations are being carried on in the vicinity of the mill, and there will be plenty of logs on hand by November.

The company is now running a full force, night and day, at each of the Coburg and Springfield mills. For some time there has been difficulty in securing enough men for the work, but since hopping is completed and the Exposition at Portland is over men are more plentiful. A full crew for a day run will be on hand at Wendling when the mill resumes operations.

### Record Junior Class.

Eugene.—The juniors met yesterday in Villard Hall and elected officers. The present class is the largest in the history of the University, the enrollment being 66, with a few more to come in.

It is not known yet whether this class will put out an "annual" or not. Publications of this kind have been a great grain on the finances of the class. The officers elected are: President, Ray Fountain, Klamath Falls; vice-president, Oscar Beck, The Dalles, secretary, Mary Rochrock, Pendleton; treasurer, Don Stevenson, Klamath Falls; editor, Eugene Stockwell, Eugene; Seargent-at-arms, Harvey L. Raffety, Portland.

Mrs. Henry Veatch returned on Thursday.

## MODERN WOODMEN CELEBRATE

The Local Degree Team Initiated 21 New Members at Yoncalla Saturday

Saturday the Degree team of the Modern Woodmen of America, consisting of 11 men, together with 19 other members, and the Cottage Grove band went down on the afternoon train to Yoncalla where they were met by a delegation of would-be Woodmen, who treated them to a magnificent feast at the McCurdy hotel, after which a new lodge was instituted at that point, with 9 old members who transferred their memberships from other points and 21 new members who were duly initiated by the degree team, with appropriate exercises, music by the band. After the exercises the men were entertained at a Dutch luncheon after which most of them took the overland home, some members of the band remaining over until the morning train. A very fine time was had and the boys say all kinds of good things of the treatment they received and the enthusiasm of the new lodge members.

The local M. W. A. had an old fashioned blowout Monday night to start off the winters fun, a great time was had, two members being gathered into the fold. It is understood that Dr. Kime could probably tell more of the doing than anyone else, as his experiences were the most vivid. Dr. Kime and Mr. Lincoln were duly initiated.

### Knocks Out Five Counts.

Chicago.—Federal Judge J. Otis Humphrey today gave a decision on the demurrer of the meatpackers charged with illegal conspiracy. He overruled the portion of the demurrer in which the packers attacked the odd-numbered counts, charging conspiracy in restraint of trade. The demurrer to the even-numbered counts, charging monopoly, was sustained. Following the decision, counsel for the packers asked leave to extend his demurrer to the third count of the indictment to the first count; to which he previously announced he would enter a plea of not guilty. The court allowed this and then overruled the demurrer to the first count. This evenly divided the indictments—five counts, one, three, five, seven and nine being sustained, and two, four, six, eight and ten being declared insufficient.

Judge Humphrey gave the defendants until Monday next to enter special pleas in the case. The court announced to defending counsel that when they finally

pleaded guilty or not guilty for their clients, the defendants need not necessarily appeal in person.

United States District Attorney Morrison said that the elimination of the monopoly counts from the indictment will not vitally effect the prosecution, as the charge of monopoly is also made in the conspiracy counts.

### Highest Award to University's General Exhibit

University of Oregon, Eugene.—President P. L. Campbell was yesterday given notice that the commission on awards at the Lewis and Clark Fair has given the gold medal for the general educational exhibit of the University. Gold medals were also given for the chemistry and Condon exhibits.

The silver medal was received for the geological map of Oregon by Mrs. McCormack, who was an instructor in geology last year. This is the only map of its kind in the state.

### New Information Against Davis.

Pendleton, Or., Oct. 18.—In the circuit court yesterday direct information was filed by the district attorney against C. P. Jones, late chief deputy in the sheriff's office, who is accused of having stolen \$10,000.

The indictment charged the defendant with having converted \$4200 of the county's money to his own use on July 12 last, and the officials of the sheriff's office and Experts Buchanan and Beckwith are named as witnesses examined.

Following the reading of the indictment the attorney for Davis took the statutory time in which to file against it, and it is understood a demure will be filed.

### Tornado Strikes Sorrento, Ill., and Destroys Everything in its Path.

St. Louis, Oct. 18.—A tornado struck the village of Sorrento, Ill., 32 miles northeast of St. Louis, last night, killing four persons, injuring 35 others, of whom three probably will die, and doing a great amount of damage to property. Forty houses were blown to atoms or carried far from their foundations. Everything in the track of the tornado was swept away. The dead: Mrs. Thomas File, 38 years old; Mrs. William Stewart, 60 years old; William Mann, 18 years old. Partial list of injured: Mrs. William Mann, Frank Shields and two daughters, Mrs. I. F. May, Charles Miller and wife, Henry Hayes and wife, Henry Barlow and wife, William Kirkland, Mrs. William Kirkland, probably fatally; William Stewart, will probably die; Thomas File, fatally; Mrs. Phoebe Moore, Mr. and Mrs. George Root, Mrs. John Griffith.

Stylish  
Cloaks  
and  
Jackets  
Attractively  
Priced

We are showing the fashionable Cloaks and Jackets—new goods—daintily designed, neatly made—attractive, both on account of their appearance and the very moderate prices at which they are offered.

A special effort to secure unusual values for our patrons has resulted in our getting quite an array of smart garments at surprisingly low prices.

This is an opportunity no woman can afford to miss.
