Be Careful With Your Guns.

The terrible accident at Lorane should be a terrible warning to every owner of a gun to not only never leave a loaded gun around, but to put them out of the reach of any and all children and it is not possible to use too much care in their handling. This is but one of hundreds of similar accidents. Be careful it does not occur for you.

Weather Bulletin Week Aug. 5.

The past week was very dry in all parts of the state, and rain is badly needed to put out the forest fires and to clear the atmosphere of smoke. The first three days were unusually warm, but during the middle of the week cloudiness increased, and, although no rain of consequence occurred, the temperatures became about normal and the atmosphere became less smoky; these favorable conditions continued during the remainder of the week. No frosts or damaging winds occurred.

A bath cleanses the skin and rids the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by Benson's Pharmacy.

Bryan is reported to have turned down a request of Hearst that he make no effort to get to get the preside title nomination.

The U. S. cruiser Boston struck on the rock in Puget Sound, but was floated without trouble and taken to the docks to be repaired.

Stas Fair Campers.

There is every indication of fine weather for Oregon State Fair week, September 10-15. This kind of weather means that these camp grounds will be crowded and that the late comers will have to go to the old grounds northeast of there. Tell your friends to go early and have their tents in position. Space cannot be reserved after Tuesday of Fair week, if that long. The crowds are going. If you cannot get there before Tuesday of Fair week, have your tent there and up. It will save you trouble and annoyance. Remember, that fine weather means over 1500 tents on this camp ground. Come early.

There will be a great meeting in Spokane, Wash., Sept. 25th, being the convention of all Commercial Clubs, and Promotion Clubs of the Northwest, for the purpose of stimulating the advertising of the actual resources of the Great West, and its upbuilding.

In these days of rush and hurry courtesy is often forgotten. In the mad pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol for Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by Benson's Pharmacy.

Lease.

Frank Plueard leases to Wm. Landess use of certain spring in sec 33 tp 20 s r 3 w. Contract sold to Brown Lumber Co. Wm Landess to Brown Lumber Co. right of way from above spring over lands of Landess.

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol for Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its functions. Sold by Benson's Pharmacy.
