Testimonial.

Cottage Grove, Oregon, March, '07 To whom it may concern:

This is to certify that I have taken treatment of Dr. H. A. Foster, chiropractor, for my eyes. The treatment has been of great benefit to my eyes. I can see better than I have been able to see in ten years. He has also treated me for vertigo and given me the only relief I have ever had from that malady which is of thirty-five years standing. My eyes have been bad for thirty years.

I most cheerfully recommend him to the public as being competent in his chosen profession and a courteous gentleman.

Respectfully, Rev. R. C. GRACE.

You will find me at my office, over Madsen's from 10 to 12 a. m. 2 to 5 p. m. and 7 to 9 p. m. Sunday by appointment.
