

PUSH OREGON TO THE FRONT

AN EASY WAY TO AD- VERTISE THE STATE

And Tell Our Eastern Friends All
About the Superior Opportunities
We Possess.

On April 29th last the Oregonian published a special industrial edition devoted exclusively to the exploitation of Oregon. It probably contained more special and miscellaneous information about Oregon than any one publication that has ever been issued. It is peculiarly useful and valuable to the home-seeker, because it gives the latest and most reliable information about so many different subjects that the home-seeker is naturally interested in. Almost every department of industry is specialized, and both descriptive and statistical information of a highly valuable character is given extensively and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted East, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work now without cost and very little effort. If you think your friends would be interested in knowing more about Oregon and might eventually become a valuable citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation Company or Southern Pacific at Portland, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1st and continuing daily for two months, tickets will be on sale at almost every railroad station in the East to all points in Oregon and the Northwest at what has come to be popularly known as "colonist rates." These rates are the cheapest general long distance rates ever established and enable one to reach Oregon from any part of the United States at but a trifle more than one cent a mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before-hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and heeded by the time the rate goes into effect. Send one name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send them to your nearest Southern Pacific agent or to Wm. McMurray, General Passenger Agent, Portland, Oregon.

Jimmy Britt, the pugilist "Native Son" of California, is now on the way to be the champion light weight fighter of the world, by winning the twenty-round contest with Battling Nelson at San Francisco, last week. He will now be matched with Gans, and if he defeats him can wear the laurels of the champion.

The commissioner of the general land office has decided that in the State of Oregon women may make application to file on government lands any time after reaching the age of 18 years.

The administration building of the Alaska-Yukon-Pacific Exposition is now under construction and will be completed by the middle of August.

WOMEN'S WOES.

Cottage Grove Women are Finding
Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. B. S. C. Oliver, of 612 Maple street, Pendleton, Ore., says: "It is now nearly two years since I have had any occasion to use Doan's Kidney Pills. Prior to that time I had my share of kidney trouble, and if there is anything that causes more misery than a disordered condition of the kidneys, accompanied with backache, tired and listless feeling and restlessness, I have yet to experience it. Doan's Kidney Pills, which I procured at a drug store, brought me entire freedom from the pains, aches and lameness, regulated the action of the kidneys and restored ambition to me so that I could get around and attend to my duties without discomfort. I do now and always will recommend Doan's Kidney Pills to those suffering from kidney ailment in any form." For sale by all dealers. Price 50 cts. Foster-Milburn Co. Buffalo, N. Y., sole agents for the United States. Remember the name—Doans—and take no others. 36c

While engaged in a friendly wrestling with George French last Friday on the farm of Fred Elliot, five miles west of Albany, Russel McHargue, a youth of 17 years, was suddenly thrown, falling in such a manner that his neck was broken. He died an hour later from the effects of his injuries.

Oregon and California have each appropriated \$100,000 for the Alaskan-Yukon-Pacific Exposition with the assurance that additional sums will be authorized at their next legislatures.
