

PLAYS AND PLAYERS.

Giles Shine has been secured for the role of Patrick O'Brien in "The Chorus Lady." Miss May Hosmer and Francis Bogg after several seasons in stock are out with a "Two Orphans" company. The singer Caruso has already invested a large number of his American dollars in a villa on Lake Como, Italy. William Dills, a character comedian last summer with a stock company in Portland, Ore., has lost all his savings through the suspension of the Milwaukee Avenue State bank, Chicago. In Clay Clement's forthcoming play, "Sam Houston," Miss Marie Taylor will be seen as Roaring Kate, a historical character of Sam Houston's day. The actress is a niece of General Houston. "In Command" has been selected as the title of the new musical play by Ben M. Jerome, which will be produced under the direction of the Ben M. Jerome Amusement company on Nov. 1 in Elgin, Ill. The scene is Panama. There will be ten stock companies in Chicago this season if all present plans carry—the Players' theater (Donald Robertson's), the New theater, the Chicago Opera House, the People's, the Bush Temple, the Marlowe, the Avenue, the Calumet, the Howard and the Midland.

FACTS FROM FRANCE.

A Paris Joiner named Dereboud made a bet that he could consume ten yards of sausages. He won it, but died afterward from congestion. For the first time a party group has been formed in the French chamber for the defense of the rights of women headed by Henri Cheron. Making postal cards carrying insulting allusions to the German emperor is a pleasing Parisian industry. The partisan political postal card is quite common. The Paris budget committee in taking up the estimates for 1907 struck out the salary of Diebler, the public executioner, thus foreshadowing the disappearance of the guillotine. French officials are considering a scheme for providing a standing army of long service men, one feature of which is to be the compulsory enlistment of all French schoolboys in national rifle corps, so that from their earliest years they may be accustomed to habits of discipline and knowledge of arms.

NEW YORK CITY.

New York city has ready for duty in the state militia 10,367 men. During the last twelve months \$40,218,000 in precious stones were brought to New York city. Out of every hundred persons in New York city sixty-one are unmarried, thirty-one married, five widowed and three divorced. New York being an alleyless city, its streets are too often marred by long arrays of ash and garbage cans. Along ten Harlem blocks 322 of these iron-clad decorations (?) were counted on a recent morning. In the 865 square miles of water that is in New York city, with its 353 miles of water front, is wasted enough energy every day to supply the continent with needed power. In this body of water the tide daily raises and lowers 6,000,000,000 tons of water an average of four feet.—New York Herald.

PITH AND POINT.

Fools brag where wise men only admit. Most people like to tell their imaginary troubles. Habit is stronger than either judgment or passion. The man who lacks polish doesn't always lack humanity. After all, the easiest way to do a thing is to do it right. In prosperity the proud man knows nobody; in adversity nobody knows him. A man's worth to others sometimes depends on how much they can work him for. It's a pleasure to make wishes, and that is about all the satisfaction the most of us get out of them.—Chicago News.

DON'T QUARREL.

Life is too short for quarrels. Keep away from people's pet abominations, avoid subjects they are sensitive about. Don't quarrel with any one if you can possibly help it. One quarrelsome member of a household can poison the entire home atmosphere. There is no pain equal to that of being unable to forgive because it is too late. It is only ugly, stubborn pride that keeps you from asking or granting forgiveness. Remember that "many go forth in the morning who have never come back at night," and never let any of your dear ones go off in the morning with hard feelings between you and them.—Brooklyn Times.

EDITORIAL FLINGS.

Have you tried the peckaboo style of spelling yet?—Toledo Blade. And think how cheap the man must feel who has just finished paying the installments on his new dictionary.—Washington Post. American girls who marry German barons should remember that in Germany desertion is not punishable by law. Doubtless it is argued the wife suffers no hardship.—Boston Transcript.

STRAIN TOO GREAT

Hundreds of Cottage Grove Readers Find Daily Toil a Burden.

The hustle and worry of business men, The hard work and stooping of workmen, The woman's household cares, Are too great a strain on the kidneys.

Backache, headache, sideache, Kidney troubles, urinary troubles follow.

H. Oliver of 1915 West St., Pendleton, Oregon, says: "I speak from experience when I say that Doan's Kidney Pills are a remedy that has much merit and can be depended upon for curing backache and kidney trouble. At a time when my back was so sore and lame that it was all I could do to bend over or straighten up again and the kidneys were deranged, Doan's Kidney Pills did more for me than everything else I had tried. Heavy work and colds have brought a twinge of stiffness in my back since then at times, but a few doses of Doan's Kidney Pills have quickly removed the symptoms. This remedy can be relied upon to end sufferings similar to mine." For sale by all dealers. Price 50 cents.

Mix This At Home.

The following simple home-made mixture is said to readily relieve and overcome any form of rheumatism by forcing the kidneys to filter from the blood and system all the uric acid and poisonous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases.

Try it, as it doesn't cost much to make, and is said to be absolutely harmless to the stomach.

Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one-half ounce; Compound Karsagon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take a teaspoonful after each meal and again at bedtime.

This simple mixture is said to give prompt relief, and there are very few cases of Rheumatism and Kidney troubles it will fail to cure permanently.

These are all harmless, every-day drugs, and your druggist should keep them in the prescription department; if not, have him order them from the wholesale drug houses for you, rather than fail to use this, if you are afflicted.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 50c. Take Hall's Family Pills for constipation.

Matters are now shaping so that the prospects look better than ever before for the thorough testing of the oil and gas possibilities in this section, says the Ontario Democrat.
