 years to L. A. Newton, agent for the
 Pacific States Telephone Company.
 The company consolidates the two lines into

 scribers on either line can now have
 tolling service on the other line.
 The change is giving general satis-
 faction; a dozen new phones were
 ordered Saturday.

Extensively Entertained.

Mrs. S. E. Parker returned to Cottage Grove this afternoon accompanied by her sister Mrs. May B. Lett, who will visit Harry and Tom Parker for a week or ten days then return to Albany for a short visit before going to Portland for a visit with friends of her girlhood days, then on to Molalla. She has been extensively entertained the past week by a dinner and reception by her niece Mrs. Nels Wheeler, an elaborate luncheon on Monday by her nephew, Councilman W. M. Parker; a family dinner and reception at N. H. Wheelers' on Tuesday; on Wednesday by a dinner party at her great nephew's Roy Parkers; on Thursday by a luncheon with her great niece Jessie Teeters; Friday by a dinner party with another great niece, Elma Anderson, followed by a theatre party of nine to witness the beautiful play "Under the Southern Skies" and on Sunday by a luncheon at W. M. Parkers with the three sisters, Mrs. Lett of Pittsburg, Mrs. Parker of Cottage Grove and Mrs. Thomas of Molalla as guests of honor.—Albany Democrat.

Turkeys Will be High.

Turkeys will be higher in price this year, though there will be enough to furnish every family in town—providing one cares to pay the price. One firm which handles most of the Thanksgiving birds sold here announced that it had arranged for all the turkeys necessary, though a scarcity existed throughout the country as a general rule. This year raisers are demanding higher prices, which means that the dealers must also charge more. It is likely that the wholesale price will be twenty-five cents per pound and thirty cents retail. Last year the price was twenty-five cents retail.—Albany Herald.
 Albany people should come to Cottage Grove for their Thanksgiving turkeys where they are selling at 13 cents per pound live weight and 15 cents dressed. In Portland today dressed turkeys are selling for 18 cents per pound with a steady decline and dealers say they expect them to go as low as 12½ to 15 cents per pound by Christmas. Wagon loads of turkeys are coming into this city every day and raisers say this is the greatest year for turkeys known. If the Albany dealers have to pay 25 or 30 cents per pound for them in Lin county Cottage Grove can supply them with all they need for 15 cents.

Thanksgiving Ball.

Company E of this city will give a grand ball at the armory Thanksgiving night, music will be furnished by Nelson's orchestra and everything possible is being done to make this one of the best parties ever given in Cottage Grove. The Grand March will take place at nine o'clock and dancing will continue until one with an intermission at midnight for supper which will be served by the ladies committee in the gun room.
 The armory will be beautifully decorated, the floor put in first-class condition and the company will appear in dress uniform.

Married.

At the home of the bride's parents Mr. and Mrs. A. L. Woodard, in this city, Miss Susie L. Woodard was married to Mr. Geo. L. Carlile last Sunday morning by Rev. Elkins of the Christian church.
 They are among Cottage Grove's best young people and their many friends wish them a long and happy married life.

Temperance Meeting.

The Woman's Christian Temperance Union of this city will unite with the various churches of the city and hold a grand temperance rally at the Methodist church tomorrow evening. Rev. Zimmerman, a former pastor of the Methodist church of this city will deliver the address.

Secret of Good Apples.

The secret of growing the good apples that are produced at Hood River says a Hood River man is in the fact that Nature has endowed the Hood River valley with a volcanic ash soil that contains all the elements necessary for growing perfect fruit. Added to this is a temperature exactly suited to their propagation and last, but not least, methods employed that have been found to produce the best results. From far and wide fruit men come from other districts to learn of these methods, simple though they be, and easily learned by the novice. It has been found that the apple grows best at Hood River under the clean cultivation system, which conserves the moisture and allows all the nutriment of the soil to go into the making of both tree and fruit. Spraying, to kill all insect life that is injurious to the growing of perfect apples, is rigidly adhered to, and so careful in this respect are orchardists here that less than 2 per cent of the entire crop is found to be imperfect.

Officers Elected.

Last Tuesday evening St. Valentine's Circle W. O. W. elected officers for the ensuing term as follows: Past Guardian, Mrs. J. C. Johnson; Guardian, Mrs. F. H. Rosenberg; Advisor, Mrs. Thos. Jenkins; Magician, Mrs. Marion Veatch; Clerk, Mrs. F. C. Coffmar, Banker; Mrs. Eva Hemenway; Attendant, Mrs. Etta Frey; Capt. of Guard, Mrs. C. H. Van Denberg; Inside Guard, F. H. Rosenberg; Outside Guard, Mrs. Ross King; Musician, Miss Eunice Van Denberg.
 After the business session was over a social session was held and refreshments served.

Competitive Drill.

There will be "things doing" at the armory Monday night among the militia boys. Col. Geo. O. Yoran and Major C. C. Hammond of the 4th Infantry, O. N. G. will be present and act as judges in the competitive drill and also present to Co. E. the regimental trophy recently won by them for the best long range shooting in the regiment. Several other interesting features will take place. A small admission fee of 10 and 15 cents will be charged to go towards paying for the pianos and chairs recently purchased by the company for use in the armory.

Annual Dinner.

For several years the ladies of the Methodist church have given a Thanksgiving dinner to the members of the church, where all meet together as one large family and enjoy Thanksgiving in good old fashioned style. The tables are set in the church and everybody are happy. The custom is a beautiful one as it brings the members in closer relation with one another and gives them an opportunity to get acquainted. Preparations for the big dinner this year are now in progress and the members are looking forward to a happy time.

Thanksgiving Services.

The usual union Thanksgiving service of the different churches of the city will be held this year at the Presbyterian church at 7:30 o'clock p. m. Rev. W. A. Elkins of the Christian church will preach the sermon. Special music by the choir.
 At the Catholic church Mass will be celebrated at 9:30 a. m. followed by a Thanksgiving sermon. Everyone is cordially invited.
