### More Business Changes.

D. A. Thompson has purchased the cigar store and billiard parlors of Ostrander & McQueen and has assumed the management. The retiring gentlemen have not decided on any future business pursuits.

The week was noted for its numerous business changes in this city, among which were the following:

N. E. Compton of the general merchandise firm of Compton & Wallace, sold his interest in the business to N. L. Atkins of Forest Grove, who will take his place in the store March 20.

C. C. DuBruille, formerly in the delivery business in this city, bought Mr. Jackson out this week and will resume his old business again here, April 1st. He will bring his family here from Eugene as soon as a house can be secured.

George Comer has sold his harness shop to Messrs. W. F. Wheeler and J. C. Scott of Portland. Mr. Comer gives up his business because of bad eyesight. His eyes are giving him much trouble. Invoicing was commenced last Tuesday and the new proprietors take possession at once.

Music and games were the entertaining features of the evening. Mrs. Briggs gave a reading, Mrs. Woods a solo, Mrs. Simmons and Mrs. Woods a vocal duet, following which was an interesting contest. Excellent light refreshments were served and a "delightful evening" was the verdict of all present.

### WHEN HER BACK ACHES

#### A Woman Finds all her Energy and Ambition Slipping Away.

Cottage Grove women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headache, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney pills permanently cure all these disorders. Here's proof of it in a Cottage Grove woman's words:

Mrs. J. H. Shortridge, living on the west side, Cottage Grove, Oregon, says: "When I began using Doan's Kidney pills, which I procured at Benson's Pharmacy, I was in a very run down condition caused by kidney and bladder trouble. I suffered a great deal with my back which was lame and weak, I was restless at night and in the morning was so stiff and lame that I could hardly get around. I suffered with headaches and was caused much annoyance and embarrassment on account of the irregularity of the secretions. I used many remedies but obtained no relief until I procured Doan's Kidney pills at Benson's Pharmacy. I improved steadily from the time I began using this remedy and by the time I had used three boxes of Doan's Kidney Pills I was feeling better than I had been for a long time. I have recommended Doan's Kidney Pills at every opportunity, and will continue to do so." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Drain Notes.

Since January 1907 the Drain Normal school has put 97 teachers in the public schools, and of all this number not one has failed. What do you think of the record?

Some activity is being shown on the Drain-Coos Bay road by the constant arrival of material and one or more contractors have been looking over the route. May it soon show great activity.

A serious error was made in the announcement that it was the Normal Basket ball team played Cottage Grove last week. It was the Drain Athletic club. Arrangements for school games will be made by the school and not by an outsider.
