GET 300 PLUNKS AND 30 DAYS IN COUNTY JAIL

It is very apparent to the general public that those who think to operate blind pigs and be fined about what would be a license for operation of illicit business are going to be fooled in this respect. Judge Harris is now affixing a jail sentence to the fine which makes it very strenuous for violators of the law.

TWO STIFF SENTENCES.

Friday Judge Harris sentenced Andy Taylor to pay a fine of \$300 and serve 30 days in jail for selling liquor. The same fine was imposed on the Gross hotel Jap for a like offense and both are in jail.

Court adjourned Saturday until April 8 as Judge Harris goes to Benton county to hold court.

During the past year \$5,000 of the water bonds have been taken up out of the water fund.

Schultz, consideration \$1800, and will soon move to Albany to reside. The family will consist of Mr. and Mrs. Baker and two sons. Mr. Baker has a host of friends here who will be glad to have him make Albany his home, with his estimable family." The Leader will say that the many friends of Mr. Baker and family here will regret to learn of his intention to leave Cottage Grove to make Albany their permanent home.

Freak Day of the Season.

Tuesday will go down in the annals of Cottage Grove history as one of the most freakish March days on record. The day dawned bright and clear, but soon after sun up a brisk breeze arose from the southwest and by ten o'clock was blowing a gale, keeping up a continual fog of dust about town and wrenching signs, awnings and fences. A blow of this kind is extremely unusual for this section of the country. By noon the wind had ceased and was followed by a warm spring rain.

ONE FIRE ALARM.

While the wind was at its best a fire alarm was turned in from Prof. Tucker's home on west Wall street. The fire department responded promptly, but by the time they covered the ten blocks, neighbors had succeeded by hard work in extinguishing the blaze, which, however, had burned a hole fully ten feet square in the roof of the Tucker home.
