VOL. XIX.

COTTAGE GROVE, OREGON, MARCH 27, 1908.

NO. 50

An Appeal to the Business Men.

Few of the business men of Cottage Grove seem to realize what a struggle the "Superlative", the representative paper of their high school is having, to meet its expenses. It cannot be that they do not understand the circumstances or have had no opportunity to show their interest, since their advertising solicitor has personally interviewed every business man of Cottage Grove. What, then, can be the matter?

Consider, if you will, the adverse circumstances under which they are laboring. The Cottage Grove high school has the smallest enrollment of any such school in the state that publishes a paper and with one possible exception, it is the only high school paper whose expenses are not met, partly or wholly, by a special appropriation of the school board.

Although some business men have supported them faithfully, to their own advantage and credit, if the students were to depend entirely upon the representatives of Cottage Grove industry, the paper would now have been discontinued. They don't however. They are now giving much valuable time and labor to assure a successful Basket social, which is to be given early in April.

Only recently the business men advertised liberally, in a pamphlet of no greater influence or circulation than the "Superlative." Although this is no charity scheme, along with the direct benefits of their advertising, the Cottage Grove "boosters" would do unlimited good for the reputation of their school and town, not only at home but abroad.

In the combined April and May issues, forming the Commencement number, the business men of Cottage Grove have their last opportunity of showing their true interest in their high school.—STUDENT.

Take Your Choice.

Have you ever almost run into some one on the street, and then dodged from side to side for half a minute, vainly endeavoring to pass, while the other person by some strange fatality blocked you every move by trying to pass you in the same way?

Such was the recent experience of a young man in Portland, Maine. He and a strange young woman had been going through this performance for several seconds, when his unwilling vis-a-vis staggered him by saying:

"Well hurry up! Which is it to be—a waltz or a two-step," Woman's Home Companion for April.

WHEN HER BACK ACHES

A Woman Finds all her Energy and Ambition Slipping Away.

Cottage Grove women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headache, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney pills permanently cure all these disorders. Here's proof of it in a Cottage Grove woman's words:

Mrs. J. H. Shortridge, living on the west side, Cottage Grove, Oregon, says: "When I began using Doan's Kidney pills, which I procured at Benson's Pharmacy, I was in a very run down condition caused by kidney and bladder trouble. I suffered a great deal with my back which was lame and weak, I was restless at night and in the morning was so stiff and lame that I could hardly get around. I suffered with headaches and was caused much annoyance and embarrassment, on account of the irregularity of the secretions. I used many remedies but obtained no relief until I procured Doan's Kidney pills at Benson's Pharmacy. I improved steadily from the time I began using this remedy and by the time I had used three boxes of Doan's Kidney Pills I was feeling better than I had been for a long time. I have recommended Doan's Kidney Pills at every opportunity, and will continue to do so." For sale by all dealers. Price 50 cents.
