

This is the principal department of our store. So important that the reputation of our store depends on it. your health also depends on it-so does the reputation of your doctor. You can now see how important a department it is and why we pay so very particular attention to every detail of it. But with all the extra attention we give it our prices are moderate and rair and often far below prices charged for the same prescriptions in other cities.

Another Two Story Brick.

Wednesday evening the city council granted F. B. Phillips permission to place building material on one-half the width of Main street in front of his lot on which he will soon begin building a modern two-story building with two store rooms on the ground floor. The building will be of solid brick with stone and plate glass front. The contract has been awarded to H. J. Clark, builder of the other bricks about town this season.

Mrs. Walker, mother of Mrs. Paul Jones, has the carpenters at work building a neat little cottage home on her lot opposite the home of Herbert Eakin on the east.

Mrs. Lillian Goodman has awarded a contract for a modern cottage to be built on her lots just west of F. D. Wheeler's residence.
