

EUGENE AND COURT HOUSE NEWS

C. C. Case Terminates His Sentence in County Jail--U. of O. Commencement--Visit of Portland Citizens--Shooting.

Circuit court adjourned on Saturday evening until Thursday of this week.

About 100 teachers outside of Lane county have already arrived to attend the western division of the State Teachers' association, which meets in Eugene Thursday, Friday and Saturday of this week.

The record load of passengers was carried by one of the street cars Saturday forenoon going out to the University, 115 being carried on one trip. Conductor J. H. Baker and Motorman J. H. Jackson had charge of the car.

The court gave David Parmenter, who pleaded guilty to bigamy, a sentence of six months in the county jail. This is the lightest sentence that could be imposed under the statute. The age of the prisoner, an old soldier and other mitigating circumstances in connection with the trouble, caused the light sentence to be given.

C. C. Case of Cottage Grove, who early last spring was fined \$400 and 60 days in jail for selling intoxicating liquors under four counts by Justice Bryson and who has lain 190 days in jail, paid \$200 of his fine Wednesday, was discharged from custody and returned to Cottage Grove to look after his property interest, which we understand he will endeavor to sell.

Commencement exercises of the week were brought to a close Wednesday at Villard hall when President Campbell conferred degrees upon 61 students and sent them forth into the world with words of counsel and advice. The auditorium was crowded to the doors with parents and relatives of the graduating class and friends of the institution. Dr. Albert Bushnell Hart, of Harvard university, an old friend of President Campbell, delivered the address before the class and his subject and manner of treatment were well calculated to arouse in the outgoing men and women a seriousness as to the problem of life which they must now solve for themselves.

Friday morning, June 19th Clifford Vickers, a young man who recently came here from the east, and was suffering from a severe case of asthma, was treated with anti-toxin in Dr. DeBar's office by the doctor and died almost immediately afterward. The coroner's jury rendered the following verdict: "That the death of Clifford Vickers was caused by the criminal carelessness of Dr. George O. B. DeBar and Dr. DeBar at the time of the giving diptheria anti-toxin, knowing the probable fatal consequences; also, that he further administered this anti-toxin without consulting the father of the deceased as to the probable outcome which the hypodermic injection might have with a patient affected with asthma, or without calling any other physician in consultation before administering said anti-toxin." Deceased was 16 years of age.

EASILY DECIDED

This question Should be Answered Easily by Cottage Grove People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers in far-away places? Read the following: Mrs. J. K. Barrett, living on the east side, Cottage Grove, Oregon, says: "I suffered for years with a complication of troubles, the most annoying of which was a derangement of the urinary system. I used many remedies and spent some time in a hospital. When I came from the hospital I learned of Doan's Kidney pills and procured them at the Benson pharmacy. Their use has been of so much benefit to me that I am continuing with the remedy in hopes of a complete cure. I am glad to recommend Doan's Kidney pills."
