#### "Why Girls go Wrong"

For the first time on the Pacific coast H. Hearde presents for the people of Cottage Grove, the popular play, "Why Girls go Wrong." Strictly moral and refined. This company is composed of the best of talent obtainable anywhere and their plays are all up to date high royal successes. Mr. J. H. Hearde, owner and manager of the company, has had years of experience and is carrying an extra strong company this season. Among the plays of his repertoire are the greatest eastern successes, "Why Girls go Wrong," "A Bachelor's Romance" and "The Devil in Skirts." All these plays will be produced here in Cottage Grove with the same people that played at the Hopkins theatre in Chicago. All these plays are highly moral, endorsed by the pulpit, press and public of all creeds and denominations for ladies, gentlemen and children. New and interesting specialties between acts. Handsome wardrobe. A guaranteed attraction. Reserved seats now on sale at the usual place. Popular prices. Change of program nightly. Friday, and Saturday nights Sept. 4 and 5 at the armory.

#### The Circus.

More than 100 Cottage Grove people "took the children" to see Barnum & Bailey's big circus at Eugene last Saturday. The "children" thought it was immense, so did the grownups. The parade was more than a mile long. The largest of the four band wagons was drawn by 24 black steeds, there was a herd of 30 great elephants, 700 horses, three giraffes, three zebras, one hippopotamus and scores of strange animals never before brought west. Their feed for the day amounted to 10 tons of hay, 8 tons of straw and 300 bushels of oats, besides the immense amount of meat for the lions, tigers, leopards, etc. The program, even to the hair-raising automobile somersault and flying leap was carried out to a letter. It was a great show and we were all glad we "took the children."

#### Offices Moved.

Dr. J. Olin Van Winkle will remove his offices to the new Phillips building as soon as it is completed and ready for occupancy. He also expects to equip his offices with some new furniture and apparatus of the latest make and will have the most comfortable and best equipped offices in the city.

#### Died.

CURRIN—At the farm home four miles east of Cottage Grove, Sunday August, 30, 1908, John Currin, aged 92 years, of complications common to old age.

"Uncle" John Currin as he was familiarly known was born in Grayson county, Virginia, March 16, 1816 and moved to Missouri in 1841, where he was married to Miss Margaret Swift in 1843.

They crossed the plains to Oregon with an ox team in 1853 and settled on the homestead, which was converted into the beautiful farm home on which he died and his venerable and highly esteemed wife "Aunt Margaret," now 90 years of age survives him.

There were born to them seven children, all of whom are dead except Felix S., with whom they have made their home of late years.

Uncle John Currin was one of those genial, wholesouled old pioneers, rugged in constitution, but with a warm heart and open hand, ever ready to shower generous hospitality upon the visitor to his home whether stranger, friend or neighbor. Mr. Currin was an energetic, thrifty farmer, honest and upright in his dealings and came as near being a man without a single enemy as could be found.

He was a very enthusiastic hunter and many a bear, cougar, coyote and other native varmints of his section of the country fell before his unerring aim. The sturdy, rugged constitution of these honored pioneers is demonstrated in the fact that the deceased and his estimable wife were both nearly rounding out their century milestone.

Funeral services were conducted at the farm home Monday by Rev. H. L. Nave, pastor of the Presbyterian church, interment in the Sears cemetery nearby. The funeral was largely attended by old pioneer friends and neighbors of the deceased, while a large number of business men and Cottage Grove citizens paid tribute to deceased by their presence at the last sad rites.
