Mrs. Amanda Hixson Sues for Divorce, Alleging Cruelty.

Mrs. Amanda Hixson has begun suit in the circuit court against her husband, Jack Hixson, for divorce charging cruel and inhuman treatment. She alleges that at one time he destroyed their marriage certificate by burning it, that at various and numerous times he cursed her and called her vile and indecent names, falsely accused her of being unchaste and unfaithful to him, but the worst of all is, she alleges, that he compelled her to work in the hay and harvest field while she was in a delicate condition, compelling her to shock hay and bundles of grain and to do other hard work, causing her great physical suffering, impairing her health and endangering her life.

In her complaint Mrs. Hixson says they were married at Roseburg on May 3, 1892, and they have three minor children, William Lester, aged 13; Clifford aged 9 and Freddy aged 6. She asks for

'THE MISSOURI GIRL'

Is the Next Popular Attraction at the Armory Theater Sept 30.

Of all the attractions which have visited us in the past decade, none is more popular with the theatre-going public than that quaint and always welcome, pretty domestic comedy, "The Missouri Girl." Its author and manager, Mr. Fred Raymond, feels justly proud of its unbounded success as a work of dramatic art, years of popular favor, and wonderful drawing powers. It is a faithful picture of American country life, with a healthful and invigorating atmosphere. In the construction of this truly successful play Mr. Raymond has given to the American stage two character delineations, "Zeke" and "Daisy" which stand alone as laugh producers, and one wonders at the unadulterated simplicity which characterizes those two excruciatingly funny creations, but the play has also its serious side of life, which brings into action an exceptionally strong company of artists. BREWERS FIGHT EUGENE'S ORDINANCE PROHIBITING THE SALE OF NEAR BEER

Eugene, Sept. 17.—The city council passed a law prohibiting the sale of non-intoxicating malt liquors in Eugene, which affects the sale of "near beer" which has been sold at several cigar stores and soft drink places during the summer. Each dealer who has handled this beverage has done a big business with it from the start, as it tastes very much like the real beer and has just enough alcohol in it to cause an exhilarating effect if one drinks several glasses at one time.

One dealer early this morning, after it was learned that the ordinance had passed, telephoned to the Roseburg brewery, cancelling his order for several kegs of the "near beer" but the brewer replied that the shipment, had already been made. He said he would come to Eugene on the first train and secure a lawyer to see if the legality of the ordinance could not be tested in the courts. Other brewers who furnish the Eugene trade will probably co-operate with this Roseburg brewer in trying to knock the ordinance out.

Ordinance Prohibiting "Near Beer."
 To prohibit the sale of non-intoxicating malt liquors in the city of Eugene.

The city of Eugene does ordain as follows:

Section 1. The sale of non-intoxicating malt liquors in the city of Eugene is prohibited and declared unlawful.

Sec. 2. Any person, firm, company or corporation, or any agent of any person, firm, company or corporation who shall sell or barter any non-intoxicating malt liquors in the city of Eugene, or who shall give away any such liquors with intent to evade this ordinance, shall be deemed a misdemeanor.

Sec. 3. Any person violating any of the provisions of this ordinance shall be sentenced to pay a fine of not less than \$25 nor more than \$200, or be imprisoned in the city jail not less than ten days nor more than 30 days; and in case of punishment by fine, if the same is not paid, the said person shall be imprisoned in the city jail one day for each \$2 of said fine, and may be sentenced to labor one day for each \$2 of said fine, on the streets or other public works of the city.

under the charge of the street commissioner.

Sec. 4. The provisions of this ordinance being necessary for the public health, peace and safety of the people of the city of Eugene, an emergency is hereby declared to exist, and this ordinance shall take effect and be in full force from and after its passage and approval by the mayor.

Passed Sept. 14, 1908.

Approved, September 14, 1908.

J. D. MATLOCK, Mayor.
 Attest: R. S. BRYSON,
 Acting City Recorder.

Test Case Filed.

Jos. Micelli, the Roseburg brewer, who has been doing a big business in Eugene with his near beer, arrived here Wednesday and after an interview with the several dealers who have been handling the beverage here he met them collectively during the evening. After a thorough discussion of the matter it was decided to employ attorneys and to keep on selling the drink so an arrest would be made with a view of testing the validity of the ordinance in the courts.

Chas. Kuthe of Kuthe & Boddy's cigar store, which has been handling near beer, openly and purposely sold the articles to Williams, the transfer man in the presence of the chief of police, in fact he wanted to sell it to the chief himself. He was at once put under arrest and plead guilty in the recorder's court and proceedings were at once taken to take the matter before the circuit court on a writ of review to determine whether the city can prohibit the sale of malt liquor which it is claimed is not intoxicating (but for which the vendors pay an internal revenue license tax.)

Councilman Williams says that Judge Harris in his decisions has restricted the regulation of "intoxicating" liquors to the state and county authorities, but the charter of the city gives right to regulate, license or prohibit the sale of malt spirituous or vinous liquors, and that the "near beer" is a malt liquor, whether intoxicating or not.

Attorney A. C. Woodcock and J. M. Pipes were retained to defend those arrested.

County G. A. R. Reunion Next Week.

The tenth annual reunion of the Lane county Veterans' Association will be held at Eugene Sept. 23, 24 and 25. Veterans of all wars who have fought for the integrity of the republic and in defense of the flag, the representative of national authority, are eligible to membership, and all are cordially invited to participate with us and assist in making this a pleasant and joyous occasion, reviewing the memories of those days of hardships, trials and sacrifices on many fields of battle and carnage, when the touch of elbow and the vision of the dear old flag gave to us the courage to endure and bear until the glorious victory that was to perpetuate forever the unity of our republic was accomplished, and that liberty and freedom under our constitution was made something more than a jumble of meaningless words. A fine program has been arranged and these three days will be filled with many events that will tend to gladden the hearts of the veterans and their friends. Headquarters for the reunion will be established at W. O. W. hall, corner West Eighth and Lincoln streets, where all who are eligible will report, register and receive badges.

BLIND ORATOR OF OKLAHOMA COMING

United States Senator T. P. Gore will arrive in Cottage Grove, Saturday morning and will address the citizens of Cottage Grove at the armory theater, Saturday afternoon Sept. 26, at 1 o'clock sharp.

Senator Gore is one of the country's most able and eloquent orators and will discuss the issues of the presidential campaign from a democratic standpoint. It will be worth the while of every citizen of the town and community to hear him. A special invitation is extended to the ladies to attend.

Fresh water, caused by heavy rains, is a new and plausible reason given for the thousands of dead herring found on the beaches of Yaquina, bay recently.

"The Missouri Girl" is remarkable for the attention which is given to the details in the elaborate settings and accessories giving the play a most realistic effect. During the action of the play novel musical numbers, songs and dances are introduced. The oftener the public see "The Missouri Girl," the oftener they want to see it. It is undoubtedly the greatest self-advertising play on the American stage today. That is the reason why it has been seen by millions of the theatre-goers during its years before the public. It pleases all classes; hence its unprecedented success. "The Missouri Girl" will be at armory theatre Wednesday Sept. 30, presented by the same company that played "Old Arkansas" last year, which is a good recommendation to the theatre-going people of Cottage Grove, who were so well pleased with this company last year.

Fare to Live Stock Show.

The big live stock show of the Portland Country Club and Live Stock Association will be held in Portland Sept. 21-26. This will be the greatest live stock exhibit and race program of the west. Races every afternoon. Round trip fare from Cottage Grove \$5.90, tickets good from Sept. 21 to 27th.
