#### SAINT NICHOLAS

The Most Popular Man of the Day

Merry Christmas.  
Mighty little left of leap year.  
Old 1908 is becoming very thin.  
Albany is rubbering at its first electric car.  
What a valuable present a dozen nice fresh eggs would be.  
Venezuela is finding it a hard job to "beat the Dutch."

A little freezing weather "goes a long way" with Oregonians.  
Snow and ice would be fine Christmas presents for our boys.

The Dalles Fruit cannery did a very good business this year—7314 cases.

A Chicago girl is going to marry a Jap. The Japs are noted for bravery.

Gompers, president of the National Labor Union, must spend one year in jail for contempt.

The Cottage Grove Leader issued a very interesting special edition Friday, devoted to the resources and advantages of Southern Lane county.—Eugene Guard.

"Nobody's Magazine" for Christmas is a beautiful number, consisting mainly of photographic views taken in Eugene and Lane county. It is a splendid number to send East.

Official notice of the two cent postage rate between the United States and Germany, which goes into effect January 7, was received by Postmaster Gault this week. All mail which goes at this new rate, two cents an ounce, will be dispatched from New York on German boats going direct. Heretofore much of the mail for Germany has gone by the way of England or France, but under the new agreement this route will be eliminated on all mail at the two cent rate. This new order does not apply to either Hawaii, Porto Rico or the Philippines. A letter may be sent from Alaska to Germany for two cents, however.

The Cottage Grove Leader issued an illustrated holiday edition last Friday. It was eight pages in size, well filled with reading and contained a large amount of Christmas advertising, says our esteemed contemporary, the Western Oregon. We can just as cheerfully congratulate our neighbor upon the enterprise displayed in publishing such a fine, large and appropriate Christmas edition as was issued from that office last week.

While in Eugene Wednesday evening the Leader publishers enjoyed the pleasure of looking over the Daily Register plant in its new quarters. The office is modern in every particular, and is equipped with two linotype machines, new press, paper folder and complete job printing department. It is one of the best equipped newspaper plants in the state south of Portland. The Gilstrap Brothers merit their hard earned success.

The December number of the High school Superlative was issued from the Leader office Wednesday. It contained the usual excellent matter compiled by the high school students and was a very interesting and creditable publication. Its advertising columns were patronized liberally by local merchants.

Some Leader reader mails us the following unsigned protest, which however, is to the point: "Enter a vigorous protest. New York has been sending out the products of her 'unemployed' for years, by the car load. Let New York care for her own. We have tramps enough and to spare."

Five soft drink places in Roseburg were raided by the sheriff the other day and three of them were found to be obeying the law, the others showing evidences of violation.

Give the Leader a trial subscription—you will find it newswy.

# COTTAGE GROVE POULTRY FANCIERS BRING HOME SEVERAL VALUABLE SILVER CUPS

From the Eugene Poultry Show this Week--Exhibit Was a Success Though Not as Largely Patronized as Heretofore--Some of the Winning Breeds of the Cottage Grove Poultry Keepers

The big exhibition of poultry being conducted in the new Cherry block at Eugene, opened in earnest Tuesday morning and the work of examining the fowls, for awards was begun by H. H. Collier, of Tacoma, who was selected as judge.

by many fanciers and others who are always interested in poultry. The officers of the association have been on the jump assisting the judge and attending to other duties incident to an exhibition of this kind. They were not too busy, however, to extend every courtesy to the Leader editors

when they visited the show Wednesday. There were 120 coops, containing in all 335 fowls, on exhibition. There were the mammoth bronze turkeys down to the little bantam hens, and homer pigeons, and every one of them

was a "live one," too—making plenty of noise.

H. H. Collier, the judge, said, he has seldom seen such a splendid exhibition. He complimented the poultry raisers of the country upon the fine lot of chickens they are now raising and predicted that

this section of the valley would soon be foremost in the poultry-raising industry.

#### Some of the Awards.

H. H. Collier, judge of the poultry show, now being held under the auspices of the Lane County Poultry association was a very busy man Wednesday. He was at work all day long scoring the fowls and making awards. The more he examined the birds, he said the greater impressed is he with their excellence. Awards as follows were made up to noon Wednesday.

Buff Orpingtons—C. D. VanValin, Roseburg, 3d cockerel, 1st and 2d pullet. H. K. Metcalf,

White Faced Black Spanish—

Quite a number of the Cottage Grove poultry fanciers visited the Eugene poultry show Wednesday evening and were given a royal welcome by Secretary B. F. Keeney and Supt. Wilkins as well as Judge H. H. Collier and the Eugene fanciers. While the show

was not large, owing to the busy holiday season, there was quality in its every department and hot competition in the Leghorn, Rhode Island Reds, Barred Rock and Buff Orpington classes. Judge Collier of Tacoma, scored the birds and gave general satisfaction as usual. The Cottage Grove

fanciers were unusually fortunate, having won no less than three silver cups and many other valuable prizes, among the silver cup winners being F. H. Rosenberg, D. T. Awbrey, and W. C. Conner. The Eugene association is to be

heartily congratulated upon the large number of valuable awards offered and the excellent care and attention given the fowls, not a sick bird having been seen in the show room. The Cottage Grove boys are loud in their praise of the treatment received at the hands

G. S. Bantams—All awards to Opal Bond, Irving.

White Cochins—All awards to Ed Bryant Eugene.

Buff Cochins—All awards to Richard Lyons, Eugene.

Indian Runner Ducks—All awards to Jerry Bertelsen, Eugene.

White Pekin Ducks—All awards to A. W. Bond, Irving.

M. B. Turkeys—All awards to E. A. Kruse, Roseburg.

Talouse Geese—All awards to A. Kruse, Roseburg.

Homer Pigeons—All awards to Rev. O. C. Wright, Eugene.

Show Closed Tuesday Evening.

The Lane County Poultry show, which has been in progress for the past four days, closed at 4 o'clock Thursday afternoon. There was not as good patronage from the people of the town as there should have been and it will be nip and tuck to pay expenses. The judge alone receives \$75, and people who think it has been a money-making scheme are woefully mistaken. It was gotten up to cultivate a sentiment for a better class of poultry.

#### Poultry Fanciers Visit Eugene.

F. H. Rosenberg, D. T. Awbrey, D. J. DuBrulle, C. D. VanValin and W. C. Conner constituted a group of Cottage Grove fanciers who came down on the flyer Wednesday night and took in the poultry show. All of them are exhibitors and won handsome trophies. They are all well satisfied with the judge and with the treatment accorded them by the Eugene poultry fanciers.—Eugene Register.

**What Ails You?**  
Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?  
If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.  
The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants.
