Notice for Publication.

Department of the Interior,
U. S. Land Office at Roseburg, Oregon
November 12, 1908.

Notice is hereby given that
OSCAR BARNES
of Comstock, Oregon, who on August
1st 1903, made Homestead Entry No.
12338, S. R. 01156, for E $\frac{1}{2}$ of NE $\frac{1}{4}$,
Section 8, Township 21 South, Range
4 West, Willamette Meridian, has
filed notice of intention to make
final five year proof, to establish
claim to the land above described, be-
fore the Register and Receiver at
Roseburg, Oregon, on the 25th day
of March, 1909.

Claimant names as witnesses:
Charles R. Lawrence, John Watkins,
R. A. Allen, Roy Griggs, all of Com-
stock, Oregon.

FEATHERS AND EGGSHELLS.

A bill has been introduced in the
house of lords, England, to secure in-
ternational action to save the birds.
This is better than the Audubon soci-
ty's declaration to kill all our cats for
bird murder. We inform them that
skunks are the worst bird enemies and
exhort the society to go for 'em.

The west, with its magnificent alfalfa
range, will be the metropolis of
poultrydom. Alfalfa is the feed par
excellence for cattle, ostriches, pheasants
and fowls in general. Expert apiarists
declare it ideal feed for bees, and Yak-
ima valley, Washington, proves its
truth by a crop of 3,000,000 pounds of
honey.

A poultryman on Hook mountain,
New Jersey, keeps large box kites fly-
ing above his poultry farm to scare
off the hawks. The hawks take to the
woods when they see the peculiar look-
ing birds gyrating in the air.

The advertising in English poultry
journals of "comb erectors," "pullet
comb trainers" and "tee straighteners"
rather makes us think that the fellows
who fake at our shows haven't learned
their A B C's yet in comparison to
the cheating stunts of the Johnny Bull
breeders.

The hauls of chicken thieves, and
many have been reported in the pa-
pers, show that the neck wringers
rather confine their depredations to big
breeds, especially Barred Rocks—per-
haps because so large and so common
their offer for sale creates no suspicion.
Petaluma, the wonderful "White Leg-
horn City" of California, is an example
of what the whole utility business
will be after awhile. The chickens,
ducks, geese and pigeons will all be
white, but turkeys will all be done in
bronze.

Turkeys in the apple orchard fare
better than in the cabbage patch. Cab-
bage was once thought to cause ty-
phoid and tomatoes cancer. This was
imagination. But a full crop of cab-
bage often makes an empty turkey
coop.

A cat near Pittsburg ate \$143 worth
of pigeons. The owner asked permis-
sion of the Stowe township authorities
to kill the squab eater, and they re-
fused. He has sued the township for
damages.

The popularity of Pekin ducks is
shown when they are shipped from
Long Island to Chicago. They are long
distance profit makers, mature in a
short time and often weigh twelve
pounds at six months.

Be sure to sow wheat in yards where
ducks were raised. It makes good
winter green pickling, and the yards
will get sweet and clean.

L. M. Parnitz.

Don't Live Up to Its Name.
"Why do they call money the circ-
ulating medium?"
"Because it goes from hand to
hand."
"I don't understand it yet. Circular
means round, and there never is
enough to go round."

A Substitute.

"Ever in an earthquake?"
"No, but I have met the boss when
he had discovered one of my mistakes
on a day that his breakfast didn't
agree with him."

WOMEN'S WOES

**Cottage Grove Women Are Finding
Relief at Last.**

It does seem that women have more
than a fair share of the aches and pains
that afflict humanity; they must "keep
up" must attend to duties in spite of
constantly aching backs, or headaches,
dizzy spells, bearing-down pains; they
must stoop over, when to stoop means
torment. They must walk and bend and
work with racking pains and many
aches from kidney ills. Kidneys cause
more suffering than any other organ of
the body. Keep the kidneys well and
health is easily maintained. Read of a
remedy for kidneys only that helps and
cures the kidneys and is endorsed by
people you know.

Mrs. E. T. Hall, Cottage Grove, Or.,
says: "When I commenced using
Doan's kidney pills I was miserable as a
result of kidney complaint. I could
not stoop without suffering from pains
in my back and was often kept awake at
night on account of a dull aching
through my loins. I used many medi-
cines but the results were unsatisfactory
until I procured Doan's kidney pills at
Benson's Pharmacy. I was surprised
and delighted at the quick relief I re-
ceived and was so encouraged that I
continued until completely cured. My
general health is now so much better
that I feel I can conscientiously recom-
mend Doan's kidney pills."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo, New
York, sole agents for the United States.
Remember the name—Doan's—and
take no other.

California

When summer has passed in these northern states,
the sun is only mild under the bright blue skies of
Southern California. This is one of nature's hap-
py provisions—eternal summer for those who can-
not endure a more rigid or severe climate. Califor-
nia has been called the "Mecca of the winter tour-
ists." Its hotels and stopping places are as varied
as those of all well regulated cities. Visitors can
always find suitable accommodations, congenial
companions, and varied, pleasing recreations.

Southern Pacific Company

Will be glad to supply some very attractive litera-
ture describing in detail the many delights of win-
ter in California. Very low round trip excursion
tickets are on sale to California. The rate from

months, allowing stop-overs in either direction.
Similar excursion rates are in effect to all Califor-
