

HENDERSON Habit Back

Corsets

"FRONT LACED"

THE front laced models are the culmination of the latest and best ideas in corset fashion. They remodel the figure, giving it a perfectly moulded back, giving it lines of grace and symmetry and the long, tapering curves which are so artistically beautiful. They reduce the full figure, giving it the flattened front and slender hip effects. They are absolutely hygienic and have the endorsement of the leading physicians and dressmakers. We call special attention to the model illustrated which is made in two lengths, high bust, for the tall figure, and medium bust, for the shorter waisted stout figure. This model is extremely long over the back and hips. The extra lacing in the back from the waist-line down permits an absolutely perfect adjustment over the back and assists further in keeping the hips in perfect subjection, thus giving the so-called hipless figure. We carry the front laced corsets in a varied line of materials at prices ranging from \$2.50 to \$12. We cordially invite the ladies of our city and vicinity to visit our corset department and inspect these most exquisite models. Consultation and fitting free.

WHERE YOU DO BETTER

GOOD MORNING.

Good morning, Brother Sunshine;
Good morning, Sister Song,
I beg your humble pardon
If you've waited very long.
I thought I heard you rapping;
To shut you out were sin,
My heart is standing open,
Won't you walk

right
in?
Good morning, Brother Gladness;
Good morning, Sister Smile,
They told me you were coming,
So I waited on a while.
I'm lonesome here without you;
A weary while it's been,
My heart is standing open;
Won't you walk

right
in?
Good morning, Brother Kindness;
Good morning, Sister Cheer,
I heard you were out calling,
So I waited for you here.
Some way I keep forgetting
I have to toil and spin
When you are my companions;
Won't you walk

right
in?
—J. W. FOLEY.
