

HENDERSON Habit Back

Corsets "FRONT LACED"

THE front laced models are the culmination of the latest and best ideas in corset fashion. They remodel the figure, giving it a perfectly moulded back, giving it lines of grace and symmetry and the long, tapering curves which are so artistically beautiful. They reduce the full figure, giving it the flattened front and slender hip effects. They are absolutely hygienic and have the endorsement of the leading physicians and dressmakers. We call special attention to the model illustrated which is made in two lengths, high bust, for the tall figure, and medium bust, for the shorter waisted stout figure. This model is extremely long over the back and hips. The extra lacing in the back from the waist-line down permits an absolutely perfect adjustment over the back and assists further in keeping the hips in perfect subjection, thus giving the so-called hipless figure. We carry the front laced corsets in a varied line of materials at prices ranging from \$2.50 to \$12. We cordially invite the ladies of our city and vicinity to visit our corset department and inspect these most exquisite models. Consultation and fitting free.

WHERE YOU DO BETTER

A Pleasant Social Evening.

The Queen of Hearts (Miss Ethel Moore) and Little Bo-Peep (Miss Georgetta Berg) entertained a number of their friends last Friday evening March 19, at the home of the Misses Berg. The function was a well arranged and much enjoyed Mother Goose party. The guests as well as the popular hostesses were all attired in costumes appropriate to characters of Mother Goose note. Games and tableaux were enjoyed until the youngsters were lured away from their play by tempting dishes of good things to eat, Queen of Hearts, tarts, etc. The evening was much enjoyed by all and the hostesses were highly complimented on their novel and successful way of entertaining.

A New March Two-Step.

A very lively, tuneful and catchy march two-step, composed and published by Warren Glaze, the music instructor of this city, has just been issued from the press and is very favorably received by all musicians in whose hands it has fallen. The number is dedicated to Miss Ursula Lockwood, a handsome and popular young lady of Cottage Grove, an excellent half-tone picture of whom graces the artistic title page of this new two-step, which promises to become a good selling musical number, and is considered one of the best of the many which Mr. Glaze has composed and published.

Compliment to Company E.

It is reported that Company E, of Cottage Grove, stood highest in the annual inspection which occurred last month. Considering the size of the town and the many advantages the larger places have the record is especially of note. They have the highest shooting figure of any company in Oregon for the past year in the rifle practice and the shooting of representatives from the company which went east to the National shoot at Camp Perry is well known for the high averages.—Junction City Times.

Deputy Assessors.

Following is a list of deputy assessors for South Lane county: J. H. Kirk, Bohemia and East Cottage Grove; W. W. Scott, Creswell; C. A. Smith, Saginaw; C. H. Van Denburg, West Cottage Grove and Wallace. These deputies are now busy making their annual rounds and are as inquisitive as of yore.

A Swell Real Estate Office.

Francis Beaulieu late of Roseburg, but formerly of Minnesota has become associated with John Woodward in the timber and real estate business in this city. The new firm has moved into their new offices on the ground floor of the brick Venske building on Main street. The interior has been thoroughly renovated, having received new paint and paper until the offices have an entire new appearance. New desks and office furniture have been installed, and the old fixtures, formerly used for the bank, have been rearranged to make a private consultation room. Linoleum has been laid on the floor and a very modern office is the result.

See their new business card on the fourth page of the Leader.

Nesmith Boosters Win.

The initial baseball game for the season was played on the local diamond Sunday between Dorena and the Nesmith Boosters, resulting in a score of 29 to 6 in favor of the home team. It was fully demonstrated in this game that the Nesmith Boosters have organized a strong, well balanced team, every man being perfectly at home in his assigned position on the diamond. Ray Baker, the pitcher, had a season's experience last year that put him in good trim for this year, he having traveled with the "Boston Bloomers" the latter part of the season and won many games for them.

The Dorena boys put up a pretty stiff game but were completely outclassed by the Nesmith Boosters. Cottage Grove has a winning team this season.

Fine Chickens Sold.

On Friday E. E. Bright the Houdan and Silver Gray Dorking breeder of this city, sold to C. S. Frank of Eugene, all of his Houdan stock numbering about 26 birds for \$75. Mr. Frank desiring to make Houdan breeding a specialty. Mr. Bright, owing to ill health is forced to dispose of all of his fine fowls, a fact which will be regretted by all of the fanciers of this community, among whom Mr. Bright has always stood foremost as an enthusiastic expert poultry breeder.

The ladies will be pleased to learn that Miss Bartels has the largest and most elegant line of spring millinery this season ever displayed in Cottage Grove and that her grand opening day has been set for March 25.

Many a Cottage Grove wife and daughter are treating the head of the family unusually kind just now in contemplation of a liberal contribution for those new Easter hats already "spotted", at Miss Bartels "Fashion" millinery store.

Comice pears grown in the Rogue river valley, southern Oregon, have brought \$6.00 per box this season, which is \$2.20 less than received last year, but it is very satisfactory when the conditions of the markets in the east are taken into consideration.

There is a demand in California for seed potatoes. It seems that the continued rains down there have rotted the seed which was planted some time ago, and it will be necessary to replant. This will have the effect of boosting the price of Oregon potatoes.

Those who have not been able to do much spraying of their fruit trees for scale and moss should get busy. The frosty nights are holding the sap and bloom back so that there is still time to get in good work in destroying pests. There would have been more of it done here if the weather had been favorable.

The Silk Creek Poultry Yards made the following shipments of fine birds recently: A Black Langshan cockerel to Ferndale, Washington, a pair of Golden Laced Wyandottes to Tillamook and a Golden Laced Wyandotte cockerel to Albany. They all brought fancy prices, as does all pure bred poultry raised at Cottage Grove, the fancy poultry center for western Oregon.
