#### Accepts Presbyterian Pastorate.

Rev. Selden Connor Adams, late of Enterprise, Oregon, has been called to the pastorate of the Cottage Grove Presbyterian church to succeed Dr. Nave, who tendered his resignation recently to accept the position of field representative of Albany college. Rev. Adams comes to our city with the best of credentials and is a very intelligent and a most worthy and courteous appearing gentleman. The Leader joins in extending to Rev. Adams and family a most cordial welcome to Cottage Grove.

Call and see our line of wall paper. R. W. Waters.

#### Will "Vag" Bootleggers.

While the police officers may not be able to catch the bootleggers in the act of plying their trade or secure evidence against them sufficiently strong to convict, they very well know the fellows who are doing the business, and their present purpose is to arrest suspects on the charge of vagrancy and make them prove how they make their living.—Eugene Register.

#### Please Call and Pay Up.

The merchant who gets his printing done in Portland or elsewhere away from home has "no kick coming" if local people send away for goods he carries in stock, truthfully says the Eugene Guard.

A recent visitor to Portland from the east said: "As for Portland—why it is the fairest city on the map; the New York of the west. Everything runs down hill to Portland. It has advantages that no coast city can equal, not even San Francisco, with the splendid harbor there. Nothing can mar Portland's future but wrong treatment of the working class."

## Corsets

"FRONT LACED"

THE front laced models are the culmination of the latest and best ideas in corset fashion. They remodel the figure, giving it a perfectly moulded back, giving it lines of grace and symmetry and the long, tapering curves which are so artistically beautiful. They reduce the full figure, giving it the flattened front and slender hip effects. They are absolutely hygienic and have the endorsement of the leading physicians and dressmakers. We call special attention to the model illustrated which is made in two lengths, high bust, for the tall figure, and medium bust, for the shorter waisted stout figure. This model is extremely long over the back and hips. The extra lacing in the back from the waist-line down permits an absolutely perfect adjustment over the back and assists further in keeping the hips in perfect subjection, thus giving the so-called hipless figure. We carry the front laced corsets in a varied line of materials at prices ranging from \$2.50 to \$12. We cordially invite the ladies of our city and vicinity to visit our corset department and inspect these most exquisite models. Consultation and fitting free.
