## Humor and Philosophy

By DUNCAN M. SMITH

CONTRARY.

Spring is mostly sweet and kind, And to it we are resigned; But, alas, to our surprise, It can be, if but it tries, Quite the meanest season that In the twelve months comes to bat.

Quite enamored of its smile, How we brag about its style, Backing it for all we're worth As the greatest thing on earth! Then there comes the lightning shift, And we bump into a drift.

When it's good and feeling fit Nothing's in the class with it. When it isn't, then, great Scott, It's the limit, like as not, From the sweetest thing in sight Changes to a perfect fright.

Has as many moods, I ween, As a girl of sweet sixteen. Never know as you arise Just the kind of a surprise It will bring before the sun Sinks and says the day is done.

Maybe cold and maybe hot— One can never dope the plot. For the wisest cannot know Whether it will rain or snow Or will on the world expand With a smile to beat the band.

Placing the Blame. "I tell you," said the purchaser, "this material is not all wool."  
"Indeed, madam, I assure you that every thread of it came from the sheep."  
"Nonsense! I know cotton when I see it."  
"Very well, madam; but I pledge you my word that if there is any cotton in that material somebody must have bribed the sheep."

Makes Them Superior.

May—I just dote on baseball.  
Maud—Do you understand the game?  
May—Sure. That's easy.  
Maud—Don't let the men know you do if you want to make a hit with them.

Saving Disposition. "Biggs is a wealthy man, they say."  
"Got so much he can't spend it."  
"How did he earn his first million?"  
"By holding a public office at a salary of \$5,000 and managing to keep his expenses within \$20,000 a year."

Somebody Ought to Be. "I am quite contented and satisfied."  
"You horrid thing—when we are all upside down!"  
"That's the reason."

Waiting For Developments. "Do you think prohibition will prohibit in the south?"  
"We can't tell better in the summer."  
"What has that to do with it?"  
"See whether they see as many sea serpents in the coast towns."

Simple. "How does a man qualify for the Ananias club?"  
"He just signs a statement that he never told a lie and feels certain that he is able to live up to the record."

In these strenuous days, when everything is effervescing, it is hard to tell a woman from a subterfuge.

When Cupid declares a dividend Hymen's stock rises like yeast batter in the nighttime.

## NESMITH PATENT WASHING MACHINE

Manufactured in Cottage Grove, Or.  
There has been over 2,000 patents on washing machines, but not until this year 1907 was one invented and patented that you can SIT DOWN AND WASH with perfect ease and wash a machine full of clothes in from 2 to 4 minutes without any damage to the clothes whatever. In fact a great saving to the life of the garments, as the clothes are in the hot suds such a short time. Actual tests show the saving of time and labor and to put out a washing is from 1-2 to 2-3 rds. All we ask of you is if you wish to see the washer do the work that you drop us a line saying you are willing for us to come to your home and do a washing for you FREE OF CHARGE. Let us know what day you usually wash—if you have wringer, tubs, soap, etc. We will answer, telling you when our agent will call to do your washing. What we want is the candid opinion of the housewives as to the value of our washers. You will not be solicited to buy a machine, unless you are interested after seeing its work. All we ask is a trial, and if you have any neighbors that are interested that you will kindly invite them over to see the washer work and criticize it. Awaiting your response.  
Yours Resp., A. H. BRAGLE.

DON'T WAIT

Take Advantage of Cottage Grove Citizens Experience Before It's Too Late.

When the back begins to ache, Don't wait until backache becomes chronic; Till serious kidney troubles destroy nights rest. Profit by a Cottage Grove citizen's experience.

Mrs. E. B. Sherman, of Cottage Grove, Ore., says: "Kidney disease came on me gradually and I was in a serious condition before I realized it. I had pains in my side, hips and loins and I was always worn out. I became weak and nervous and was subject to headaches and dizzy spells. My feet and ankles were swollen so badly at times that I could not put on my shoes. A friend advised me to use Doan's Kidney Pills and I procured a box at Benson's Pharmacy. I noticed a wonderful improvement in a short time. The kidneys became normal, the backaches ceased and all the other disagreeable symptoms were banished. I am now feeling better than for a long time and owe my present good health to Doan's Kidney Pills."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doans—and take no other.
