DEATH OF PROMINENT PIONEER MINISTER

Rev. Robert Robe, one of Oregon's first ministers and the organizer of the first Presbyterian church in the Pacific northwest, died Monday afternoon May 24, 1909, at his home in Brownsville at the age of 86 years. He was an Oregon pioneer of 1851, and was one of the most prominent men in Linn and Lane counties in the early days. He was the oldest Presbyterian minister in Oregon and one of the best known clergymen in the state, says the Register.

Rev. Robe was born in Ohio, October 10, 1822, and was graduated from Washington and Jefferson college in Pennsylvania in 1847 in the same class with James G. Blaine. He preached two years in Ohio and then crossed the plains to Oregon. He located in Eugene and organized the first Presbyterian church there in May 1855 and lived in the old house at the corner of Eighth and Lincoln streets. The same year, with two other ministers, he organized the Presbytery of the Willamette, it being the first presbytery formed west of the Rocky mountains and north of California. He also assisted in organizing the first synod on the Pacific coast at San Francisco.

Besides his ministerial work he exerted a great influence along educational lines in the early days of Oregon. He was one of the first school superintendents of Lane county and laid out its school districts. After living at Eugene for ten years Rev. Robe went to Brownsville and was pastor of the Presbyterian church there continuously until 1895, when he retired from active work. He also owned a large farm near Brownsville. During his ministry he organized a church at Crawfordville and assisted in the upbuilding of Linn county in many ways.

Rev. Robe is survived by his wife, now 75 years old, and four children: William W. Robe, Maria J. Marsters and Herman L. Robe, all of Brownsville and Elbert S. Robe of Albany.

Rev. Robe was the grandfather of Mrs. Andrew Brund of Cottage Grove, and they returned home Friday from Brownsville where they attended the last sad rites over the remains of the reverend gentleman, which was one of the largest attended funeral services ever held in that part of the country.

Died.

Samuel Walker, aged about 76 years, died at 11 p. m. Saturday, May 22, the funeral occurring at 10 a. m. Monday. Mr. Walker had been helpless for some months and his death was not unexpected. He leaves a wife, a daughter, Mrs. E. Racey of Jefferson and a son, C. W. Walker of Cottage Grove.—Jefferson Review.

FOR THE PUBLIC GOOD

This Will Interest Every Resident of Cottage Grove.

"You can readily verify the following particulars, for the gentlemen supplying them will be only too pleased to answer any enquiries by mail. If you suffer from disorder of the kidneys or bladder and desire to be cured, write him about Doan's Kidney pills and learn that the following statement is true in every particular:
Mrs. Alice Coffman, Cottage Grove Oregon, says: "I was in a miserable condition as a result of kidney diseases, my back ached constantly and I felt tired and languid. I became discouraged as none of the remedies I used gave me relief. I at last happened to learn of Doan's Kidney pills and decided to try them. I procured a box at Benson's Pharmacy, took them carefully and before I had finished the contents I could see they were helping me. I continued until the disease had completely left me. I am today without a sign of kidney disease and am very grateful to Doan's Kidney pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

THE CALIFORNIA BUILDING AT A.Y.P. EXPOSITION, SEATTLE.

California's handsome building is one of the very striking structures on the grounds of the Alaska-Yukon-Pacific Exposition. It is in the old Spanish Mission type of architecture encountered so frequently in Southern California, and the detail of its front has attracted the attention of artists and architects from all over the country.
In the building every county of the golden state will have an exhibit. California, from Siskiyou to San Diego, has shown as much enthusiasm for the Exposition as has Washington itself.
