OUR LUMBER INDUSTRY.

Importance of the lumber industry as a resource of the state of Oregon, and its value as an employer of labor, are emphasized in circulars which have been distributed by the Oregon state board of forestry. Accompanying the circulars are copies of the state law, enacted in 1907 for the protection of the forests, for the creation of the Forestry board, and providing fines for the careless setting of timber fires. The earnest co-operation of all citizens is asked that the loss from these fires may be minimized.

It is pointed out in the circulars that Oregon has 350,000,000,000 feet of standing timber, worth \$475,000,000. If manufactured and sold at present prices, it would bring \$5,000,000,000 into the state for labor and supplies. Lumber sales in this state now aggregate \$20,000,000 annually, of which \$14,000,000 is received by employees who put it into local circulation. About 1,000,000 feet of this timber is destroyed by fire in this state annually which if manufactured would bring \$13,000,000. On every thousand feet burned the stumpage-owner may lose \$2, but the community loses \$8 in wages.

"Timber means pay checks, to support all industries; but burned timber pays no wages," continues the circular. "Timber pays taxes in your county, if it burns up your property has to pay the difference. Help keep down forest fires and you will make more money. So will your children. Care with small fires is the best way to prevent big ones."

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

It Makes Weak Women Strong, Sick Women Well.

PLEASED WITH THE GENERAL OUTLOOK

Tuesday afternoon it was the pleasure of the Cottage Grove Booster Manager to entertain S. B. Giddings and his son, C. N. Giddings, of Sterling, Illinois.

These two gentlemen were en route to the A. Y. P. at Seattle, but before leaving left their home were successful in taking advantage of the special round trip rate from the east with stop over privileges.

Mr. Powell took from the Fashion Stables, of which he is one of the proprietors, a very fine driving team and carriage. He drove with the party south up the Coast Fork of the Willamette, to the Shortridge Hill. He then returned to the forks of the roads just south of town and took the gentlemen back to town and several miles up the Lorane road.

Shortly after the party had left town Jupiter Pluvius began to weep, otherwise a longer trip would have been taken.

Soon after the driver arrived in town on the return trip, Mr. Giddings, Sr., remarked that "you have a fine country here and some pretty good land, the crops are the best we have seen and we appreciate very much the courtesy shown us during the few hours we had to be in town."

It was through the kindness of one of our real estate men that Manager Conley met these strangers, and he desires to express his appreciation to the young man who introduced the strangers. Let us all get busy now and see that Manager Conley is assisted in every way possible to be a booster for Cottage Grove and Nesmith county.

MARRIED.

MOXLEY-HAWLEY—At the home of the bride, "The Maples," two miles north of Creswell, Wednesday evening, June 16, 8:30 o'clock, Earl B. Moxley and Miss Hattie B. Hawley, Rev. J. L. Beatty officiating.

The home was tastily decorated with sweet peas, Oregon grapes and evergreens. Miss Roberta Hawley attended her sister as bridesmaid while R. W. Stone acted in the capacity of best man.

The wedding march was played by Mrs. Brady and the bride and groom were preceded to the altar by four little flower girls who scattered flowers along the line of march. Little Malcomb Hillegas acted as ring bearer. Miss Genevieve Thompson caught the bride's bouquet, notwithstanding the vigorous effort to secure the token put forth by Mrs. Danae Lawton. At the conclusion of the ceremony hearty congratulations were extended and excellent refreshments were served, after which the happy couple took their departure for Seattle to spend their honeymoon at the exposition. The bride was a teacher in the Creswell schools and is a charming and highly esteemed young lady, the daughter of Mr. and Mrs. R. D. Hawley, while the groom is a very exemplary young man, the son of Mr. and Mrs. T. J. Moxley, and he conducts the Creswell meat market.

The bride's costume was white silk net over silk, while the groom wore the conventional black. The happy couple were the recipients of numerous fine presents. Among the many guests were: Mr. and Mrs. M. J. Hilligas, G. F. Hillegas, G. M. Hawley, W. B. Hawley, W. A. Ward, R. G. Dunton, J. Stone, W. E. Parsons, R. H. Parsons, R. O. Brady, H. W. Renny, A. W. Schwering, Maring Hager, Mrs. Lena Veatch and family. J. H. Hawley, G. F. Hawley, Roberta Hawley, Tressa Hawley, Lucile Hillegas, Malcolm Hillegas, R. W. Stone, Clay M. Stone, F. H. Thompson, Genevieve Thompson, Maud Gilfrey, Gussie Burns, Arthur Demorest, Lucile Parsons, Gladys Meiner, Hazel Hawley, Dana Lawton, Clara Hager, Rev. J. L. Beatty, Mr. and Mrs. T. J. Moxley and Mr. and Mrs. R. D. Hawley. The Leader joins in extending congratulations and best wishes.

Tuesday the laws and amendments to the laws of the regular session enacted by the special session of the legislature went into effect. The special session adjourned March 16 and the laws then enacted not carrying emergency clauses went into effect 90 days after adjournment. Monday was the day upon which petitions could be filed for referring to the people any of the enactments of the special session. Among the laws passed by the special session the most important were the acts requiring all hotels and lodging-houses more than two stories high, to be provided with fire escapes of iron and other non-combustible material, and providing that the doors of all public buildings open outward. Six months' time is allowed by this act for making the necessary changes.

There may be an excuse for dishonesty, but there is none for discourtesy. Dishonesty is usually the result of weakness, but discourtesy is plain meanness.
