"WHERE YOU DO BETTER"

SNOW'S GREATER SHOWS AT COTTAGE GROVE ON MONDAY

Snow's Greater Shows with their one hundred animal actors will exhibit in Cottage Grove Monday, July 5th.

The management does not claim to have the biggest show on earth but do claim to have the best one—ring, one act at a time.

Besides their performing dogs, ponies and monkeys, there are contortionists, aerialists, tumblers and leapers in feats astonishing to behold. The Seymour twins, gladiators of the horizontal bars, double trapeze and Spanish rings. Another great feature is Captain Holtam of the British army who catches a thirty-pound ball shot from a blazing cannon. The captain has performed before the crowned heads of Europe and holds a personally signed testimonial from the late Queen Victoria.

To amuse the children there is Happy Walker, King of Clowns, and his kicking mule, Maude, and a platoon of jesters and pantomimists.

Last but not least on the hippodrome track there will be flat races, chariot races, mule races, etc. A grand street parade, a free exhibition on the show ground and free rides for the little ones on the ponies will be given.

**A NEW
Burglar Proof
Window Locker
AND
Sash Holder**

Protect your windows from burglars by using Hart's Burglar Proof Anti-Rattler, Automatic Ventilation Sash Holder and Locker. One always thinks of locking the doors but leaves the windows unlocked, therefore you are not safe in your house from burglars. We have the best all round window lock and holder on the market.

1st. Because the lock works automatically and always locks itself and the window cannot fall and break the glass.

2nd. Because the lock keeps windows from rattling, which no other lock will do and is worth more than the price of it.

3rd. Because you can ventilate your rooms from top or bottom, which ought to be done for health's sake, and no one can enter from the outside, and you will feel perfectly safe.

4th. Because they are made out of steel and are stronger and better than all other sash holders. Will hold any window, large or small. For sale by all hardware stores.

Merchants Elect New President.

After selling his interest in the grocery business in this city the first of the week to H. C. Cook, Thomas Pierce tendered his resignation as president of the Merchants Protective Association after serving most acceptably and efficiently for nearly two terms. After accepting his resignation the merchants proceeded to elect a successor to Mr. Pierce, their unanimous choice being G. L. Rees, of the firm of Rees-Wallace Co. Mr. Rees was not present at the meeting and was somewhat surprised at the honor thus conferred upon him when informed of the action of his brother merchants. He is a good man for the place.

Birthday Anniversary.

Thursday was the 14th birthday anniversary of Otho Hart and Mr. and Mrs. Will Hart, his parents, planned a very pleasant lawn social to commemorate the event. Worth Harvey, clerk in the First National bank, who is a neighbor of Mr. and Mrs. Hart, was selected to chaperone the party, it having been learned that Mr. Harvey would celebrate his birthday the next day. His friends were also invited and he was agreeably surprised to learn that he was in fact chaperoning his own, as well as Mr. Hart's, birthday company. Refreshments, ice cream and cake were served on the lawn and a most delightful evening was the verdict of all.

Al Churchill came down from the mines Thursday to remain until after the Fourth. He says considerable activity is in evidence about the camp just now.
