## NOT POSSIBLE TO CONVERT CHINESE

New York, June 26.—Aroused by the murder of Miss Elsie Sigel, who is supposed to have fallen victim to her Chinese admirer, Leon Ling, Miss Helen F. Clark, for 17 years director of the Clark mission in Worth street, today decried work of American woman missionaries in the Oriental quarter.

"More women missionaries are degraded by Chinese men than there are Chinese converted," emphatically declared Miss Clark. "It is impossible for these women to Christianize the Chinese. The attraction of sex, not religion, predominates in both cases."

"Chinese men are very kind to the women and that probably accounts for white women living with them in preference to men of their own race."

The fate of Elsie Sigel should be a warning to girls; Chinese usually "get religion" for sinister purposes.

## London Items.

Mr. Geo. Tillingham made a business trip to London Monday.

M. C. Wolf of Portland has arrived at the Calapooia Springs for a few weeks stay.

Mr. Banton informs us that the children who have been sick with measles are improving.

London ball team played Oakland at Cottage Grove Sunday afternoon. The game went in favor of Oakland.

Mr. Hawley and Miss Minnie Comer of Cottage Grove were visitors at London Sunday. They report a pleasant time.

The protracted meetings at London have been discontinued as the minister who was to have had charge had to cancel the engagement.

Lee F. Chaney of Eugene is now at the Calapooia Springs for his health. He thinks this part of Oregon one of the prettiest spots he ever visited.

A Leader representative visited what some people were pleased to term the frog pond, some time ago, but which everyone is pleased to style the city park now, since about \$1,200 has been expended in beautifying it. The small ravine down one side of the park has been all cleared of brush and will be easily drained and on account of the fine quality of soil found there will be ideal for choice ornamental shrubbery. Everyone now admits that the city made a good investment in this beautiful 5 acre natural park. There is more croakers on Main street than ever inhabited this city park site. Go out and take a look at the concrete paving and cleaned up park. It is fine!

\$75—REWARD—\$75

A reward of \$75 will be paid by the Leader Publishing Co. to any person or persons who will submit evidence, which will bring about the arrest and conviction of any violator of the local option law in the city of Cottage Grove, either by conducting a blind pig, bootlegging or by violating the local option law in any other way.
