"Where You Do Better"

Boy Gets Leg Broken.

Solomon Coffman, the twelve year old son of J. D. Coffman sustained a fracture of both bones of the right leg while standing watching the other boys play with the foot ball, Thursday at the west side school. His attention was attracted in another direction when some one who was after the ball ran against him and knocked him down causing the accident.

A physician was called and the injured boy was removed to his home on Fourth street and his fractures reduced, he having been taken temporarily, after the accident, to the home of Prof. Inlow, who resides nearby the school.

The Leader neglected to state that F. G. Conley, manager of the Commercial Club, was in attendance at the Creswell booster meeting last Saturday. In fact, the writer thought Mr. Conley was in Portland at that time, but he stopped over in Creswell on his return from Portland on that day. This omission in our writup was therefore wholly unintentional.

Back From Bohemia.

Harry Wynne of the Spray-Wynne Hardware Co., returned home Monday from a few days sojourn in the Bohemia mines where he assisted S. J. Brund in the installation of his new two stamp mill and five-horse power gasoline engine, which will supply power for the stamp mill. Mr. Wynne says Mr. Brund has a fine mining prospect and that his mine is making a very gratifying showing. He has enough rich ore out to keep his little plant running nearly all winter. Mr. Wynne says the Bohemia mining camp never looked as promising as today and more activity is in evidence in this camp than usual at this season of the year. Bohemia will make good.

NEW FRUIT AND VEGETABLE MARKET

G. B. Standish, who recently closed out his general merchandise business in this city, has had a new glass front put in the Dick White building on Main street near the depot and on, or about Nov. 1st will open a first class fruit and vegetable market therein. Mr. Standish will also handle poultry, eggs and butter, and the Leader believes there is a good opening for just such a market in Cottage Grove, and since Mr. Standish has had experience in this business he will no doubt make a success of it. He will appropriately style his new business the "Nesmith Fruit and Vegetable Market," a standing boost for the proposed new county of Nesmith. Mr. Standish is a very courteous and pleasant gentleman with whom it is a pleasure to transact business and the Leader wishes him success in his new and exclusive business enterprise.

CHURCH NOTES AND ANNOUNCEMENTS.

Services at the Presbyterian Church next Sunday as usual. Morning subject: "Men that Hazard all." The first of a series of sermons on the local teachings of Jesus, "Jesus and the Family."

Dr. Henry L. Kuave writes the Leader that he has been assigned to the pastorate of the Presbyterian Church of Montavilla, a beautiful suburb of Portland, and orders the Leader addressed to him at 203E. 79th St., Portland, Oregon. The many Cottage Grove friends of Dr. Naave will be glad to learn of his well deserved promotion.

Rev. W. A. Elkins' address at the Christian church Sunday evening on "Boosting Cottage Grove," was spoken of as most interesting, entertaining and instructive. He read from Gen. 2:26-41, particularly emphasizing that passage, "Subdue the Earth." He said it seemed to be the endeavor of the Creator to make the earth beautiful as well as fruitful and this was the basis upon which he found solid argument in favor of the home beautiful and the city beautiful, not only from the standpoint of natural surroundings, but from a moral standpoint as well. The Leader was supplied with a synopsis of this able address, but on account of a large number of other contributions, especially one on our timber and lumber interests, we are unable to present a more complete report of the address at this time.

Christian Church.

Morning service will begin with a study of the Bible at 10 o'clock. The Bible school is the church at work, studying and teaching the Bible. We have classes for all. At 11 o'clock the pastor will preach an illustrated sermon, the subject of which will be, "The Meaning of the Cross." The pastor counts it a privilege and a joy to be able to make art serve as a handmaid to religion. Following the custom of the primitive church rather than the opinions of men, we observe the communion each first day of the week. All who count themselves Christians are welcome to partake of the communion.

In the evening the young people will conduct their interesting Endeavor service, beginning at 6:30. Sermon at 7:30, subject, "The Change of Heart."

We have a welcome for all—Come! W. A. ELKINS, Pastor.

The Singer stocking darning will work on any sewing machine. For sale by Marion Veatch.

Lee Francis Lybarger

DEC. 16th "How to Be Happy," not a sunshine lecture, but one on the laws of happiness. Many regard this as Mr. Lybarger's greatest production. It is filled with "worldly wisdom." It is not a "sunshine" lecture, but a search after the philosophy of right living. It is one lecture that has the courage to face the facts, to see things as they are. It shows not only the right of happiness and the duty of happiness, but the ways of happiness.

The College Singing Girls

APRIL 7th The College Singing Girls and Walter Eccles have proved to be one of the greatest successes of the Lyceum. The eight young ladies of the company are unusually talented and versatile. They are professional singers, having good solo voices, which perfectly blend in the concert work. Special costumes are provided for each feature. The great success has been due to their ability to properly render the best sacred operatic numbers written for women's voices.
