LUMBERMEN ARE COMING

Oregon and Washington Lumber Manufacturers Association

Members of the Oregon & Washington Lumber Manufacturers' Association will hold their next meeting at Cottage Grove Nov. 20. A double-header affair has been framed up by Secretary Wastell, which embraces the meeting and attending a big football game at Eugene, between University of Oregon and O. A. C. The lumbermen's excursion is to leave Portland at 8:15 a. m., Friday, arriving in Eugene in time to see the ball game, and mingling so far as possible with the lumbermen of that district. Following attendance at this game, the party will proceed to Cottage Grove, arriving there in time Saturday to hold the regular meeting Saturday Nov. 20. Following the meeting the party will return to Portland by the next train.

The citizens of Cottage Grove should unite with local lumbermen in extending the visiting lumbermen a cordial welcome to our city and in making their stay here pleasant and enjoyable, that they may go away with a most favorable impression of Cottage Grove, its people and the lumber and timber interests tributary to this city.

KANSANS ARRIVE IN COTTAGE GROVE

Mr. and Mrs. A. E. De La Vergne and daughter, Mrs. W. B. Finney and children, of Sterling, Kansas, arrived in this city recently to locate permanently. Mr. Finney visited this place a year ago and purchased 25 acres of the Chapin farm at Latham, a mile and a half south of this city, which he will set to fruit and otherwise improve. Mr. Finney will also engage in poultry raising on quite an extensive scale, making White Leghorns his specialty, a fine flock of which he is bringing with him in a car which he has chartered for carrying his household goods, horse, buggy and other things and he is expected to arrive here with his car of freight this week, having been heard from a few days ago at Needles, California. The families have rented the pleasant home of E. E. Bright north of the Cottage Grove depot where they will reside through the winter, while Mr. Finney is building a new residence on his 25 acre tract and getting it in readiness to move upon in the spring. These families are very estimable people and the Leader joins with our citizens in extending them a cordial welcome to Cottage Grove. They have been readers of the Leader for some time past.

THE CZAR CONTRACTS OREGON ORCHARD FEVER

That the Czar of Russia will have a royal orchard in Southern Oregon is the information given out by two nobles of his court, Anton Petroskovich and Peter Peterhof, who have just completed an inspection of the Pacific Northwest to locate such an orchard. They decided to recommend the Rogue River valley and are expected to close negotiations just made for a tract near Medford. Now listen to Medford's crowd. Had the agents of Nicholas consulted some of the Medford orchardists who have come to Cottage Grove to engage in the fruit industry they would no doubt have located the Royal orchard hereabouts.

Received Fine Jersey Ladd Stock.

Tom Cox, who resides on a farm one and a half miles south of this city, received a fine young Jersey male from the famous Ladd herd at Portland, Wednesday of this week and will proceed to improve his Jersey stock.

As a result of the law prohibiting the shooting of female Chinese pheasants it is found that many hunters who shoot these birds unintentionally, leave them lying in the fields, hence the law is declared a "bum affair."

CHAPTER ORGANIZED WITH BIG CHARTER MEMBERSHIP

Chapter Named in Honor of a Pioneer Methodist Minister, Rev. W. J. Gardner---Methodist Brotherhood---Fine Banquet

On Tuesday evening about forty men, members and friends of the Methodist Episcopal Church, met at the church in this city and were treated to a splendid banquet in the church gymnasium by the Ladies Aid Society of the church, Mesdames Wheeler, Benson, Conner, Phillips, Arne, Ed Jones, Jas. Porter, Mrs. Sutcliffe and Miss Sutcliffe, serving. At the close of the banquet Prof. E. K. Barnes was chosen toastmaster, and a half hour was pleasantly spent, the professor proving a very entertaining and efficient toastmaster. The company then repaired to the classroom where the object and plan of a Chapter or church brotherhood was fully explained by Rev. Sutcliffe and was ably discussed by many of those present, including F. B. Phillips, F. D. Wheeler, Prof. Barnes, A. J. Armstrong, Rev. W. J. Gardner, Mr. Hale, G. H. Tyson, Jas. Benson, Geo. Hall, J. I. Jones, Mr. Kurtz, and others, all favoring the plan and declaring that such an organization would be a great benefit to its members, the church and Cottage Grove in general.

After it was decided that a Chapter should be organized, Rev. Sutcliffe stated that among those present was the man who organized and served as pastor of the first Methodist Church ever instituted in Cottage Grove more than 20 years ago, and suggested that the name of this rugged, venerable and grand old Methodist clergyman, be adopted as the name of the Chapter about to be organized. This suggestion met with general favor, and "Gardner Chapter" was the name chosen unanimously for this new Brotherhood, in honor of our esteemed, honored and worthy townsman, Rev. W. J. Gardner. Officers for Gardner Chapter were chosen as follows: President, E. K. Barnes; Secretary, M. H. Anderson; Treasurer, Harry Short. The other officers will be elected at the next meeting when the charter and badges will be received and a constitution and by laws, to be submitted by the committee appointed, A. J. Armstrong, G. H. Tyson and W. C. Conner, will be read and adopted.

OBJECTS OF THE CHAPTER.

The aim of this organization is to effect the mutual improvement of its members by religious, social,

literary and physical culture; to promote the spirit and practice of Christian Brotherhood; to increase fraternal interest among men; to develop their activity in all that relates to social, civic and industrial betterment, and to build up this church in particular by leading men into its communion and fellowship.

Its purpose is to support and supplement and not to overlap or supplant the functions or work of any existing organization in the local church, nor is any work undertaken which conflicts with another church agency. Its function is rather to cooperate with all.

Any man over sixteen years of age is eligible to membership, if approved by the Executive Committee and elected by a majority of the members present at any regular meeting of the Chapter.

The next meeting of Gardner Chapter is subject to the call of Rev. Sutcliffe, upon receipt of the new charter and badges.

CHAPTERS GYMNASIUM.

J. I. Jones announced that a complete gymnasium outfit purchased by him a year ago and now in his possession would be turned over to the Chapter by him if the members would see that it was installed in the church gymnasium and a committee appointed to look after it. This proposition was accepted. The need of a larger gymnasium was suggested whereupon J. I. Jones volunteered the gift of \$250 worth of lumber for such a building to be erected on the rear of the church lots. F. B. Phillips stated that he would donate the required amount of nails for the building and numerous other smaller donations of material and work were volunteered, so without a doubt a commodious gymnasium building for Gardner Chapter will be a reality before spring. It is stated in this connection, so enthusiastic are many of the members regarding this movement that extensive developments are likely to materialize including provisions for a natatorium, boat house and other means of recreation in connection with the new gymnasium. Many other special features and social innovations are being considered by the members of the new Chapter.

If the Bandon people will join it and take up with its work in earnest there will be a greater and a better Bandon and Coos county as a result.
