CIRCUIT COURT PROCEEDINGS

Mrs. W. H. Blair Wins Her Suit For \$550 Commission.

Circuit court keeps grinding right along on its grist of justice. John Camp, Joe Matlock, Jr., and Harold Lynwood, who have been prisoners in jail for some time, and against whom true bills were returned on Tuesday, were arraigned before the court Wednesday. Lynwood plead guilty to petit larceny and was fined \$25. He has no money and will spend 12 1/2 days in jail, "laying it out." Camp and Matlock both plead "not guilty" and will stand trial.

John Camp, who plead "not guilty" to the charge of the larceny by bailee of a surveyor's transit, changed his plea to guilty and was sentenced to three years in the penitentiary, but he was paroled on good behavior and required to report to the court once a month.

MRS. BLAIR WINS SUIT.
In the case of Sarah E. Blair vs. John F. Spray, the jury brought in a verdict for plaintiff in the sum of \$550 and judgment was rendered accordingly.

This is the case in which Mrs. Blair sued Mr. Spray to recover a commission for the sale of his place south of Cottage Grove last summer.

TITLE TO PROPERTY IS GOOD.
In the Cottage Grove case of John W. Hazleton vs. B. K. Lawson, Tom Awbrey and Methodist Church Board, a jury was secured and after examining the witnesses for plaintiff, defendants moved for a non-suit and it was allowed, ending the case very quickly.

The grand jury returned a true bill against R. Denton for bribing an officer, and his name was called three times to appear, in court, and as he did not appear, the \$800 cash bond put up by him was declared forfeited to the county.

Judge Coke held court yesterday for Judge Harris, who was disqualified for several cases which were to be tried.

The grand jury has about completed its work and is arranging to make a trip to the poor farm at Thurston to look it over, as the law provides.

CHANGE IN A WELL KNOWN BUSINESS FIRM

G. L. Rees has sold his interest in the Rees-Wallace Co., general merchants, to his business associates, C. W. Wallace and D. H. Hemenway, this deal or transfer having been made Wednesday November 3. Mr. Rees informs the Leader that he expects to remain in Cottage Grove during the winter, and states as his reasons for selling, that property interests at Portland require more of his attention than he has been able to give them since engaging in business in this city, and he will probably find it necessary to remove to Portland in the spring to better look after his rapidly growing property and business interests there.

This news will be received with regret by the many friends of Mr. and Mrs. Rees in this city and community, where they are held in the highest esteem by all who know them. In fact, such a valuable acquisition was Mr. Rees found to be to Cottage Grove's enterprising business circles that he was some time ago elected president of the local Merchants' Protective Association, which office he has filled most satisfactorily. He has also been a loyal and hard worker in the commercial club for the general advancement and upbuilding of Cottage Grove and community, he having served on many important committees. He was also an untiring and most proficient worker on the early preliminaries in the movement looking toward the creation of Nesmith county and he is still a vigorous and loyal supporter of this cause and will continue to be although he should change his residence to Portland. Mr. and Mrs. Rees have established a beautiful home on Wall street in this city, which they will very reluctantly leave and Cottage Grove can ill afford to lose such estimable and worthy citizens.

Messrs. Wallace and Hemenway will continue their business along the same lines as when Mr. Rees was associated with them. They are both well known and highly esteemed business men of this city and will continue their business in such a way as to merit the same liberal patronage accorded the company in the past. The Leader wishes Mr. and Mrs. Rees and the worthy successors, a full measure of success in every future endeavor.

FOR A NEW AND INCREASED GRAVITY CITY WATER SYSTEM

A Full Text of the Water Bond Ordinance With Emergency Clause as Passed by City Council Monday Evening.

At Monday evening's session of the city council the following very important ordinance was unanimously passed which will be read with interest by every citizen of Cottage Grove.

ORDINANCE NO 245
An ordinance providing for the issuance and sale of not to exceed in amount \$100,000 coupon bonds of the City of Cottage Grove, Lane County, Oregon, said bonds to bear interest at the rate of five per cent per annum and to run for a period of 25 years and providing for the payment of principal and interest on said bonds when due.

The Common Council of the City of Cottage Grove does ordain:

Section 1. The mayor and city recorder are hereby authorized to issue, in the name of the City of Cottage Grove, Lane County, Oregon, in an amount not exceeding \$100,000, said bonds to bear interest from the date of the delivery of said money to the city treasurer, at the rate of five per cent per annum, interest payable semi-annually, on the first day of January and the first day of July of each year. Each of said bonds shall be for \$1000 and shall be dated the first day of March, 1910, and shall be due and payable 25 years after date. The principal and interest of said bonds shall be payable in United States gold coin at the office of the City Treasurer of Cottage Grove or at such other place as the purchaser of said bonds may direct, which said place shall be designated in said bonds. Each of said bonds shall be signed by the mayor of said City of Cottage Grove and shall be attested by the recorder of said city under the seal of the city and each bond shall bear fifty interest coupons, one for each semi-annual payment of interest on said bonds.

Section 2. The money derived from the sale of said bonds shall be used, only in the construction of a water main from what is

known as Lang Creek at a point where said creek enters the national forest reserve or as near said point as practicable and extend to and connect with the present water system and for the purchase of right of way and other necessary expenses in the construction of said pipe line and its connection with the present water system and the proper distribution to the Citizens of Cottage Grove of said additional water supply.

Section 3. All money derived from the sale of said bonds shall be deposited with the treasurer of said city and shall be deposited by him in the water fund of said city, to be used exclusively for the purposes above mentioned.

Section 4. The common council, shall, with the assistance of a competent engineer make an estimate of the entire cost of said pipe line and other matters incident thereto and shall advertise the sale of a sufficient amount of said bonds to provide said amount, not exceeding said sum of \$100,000.

Section 5. The city recorder shall upon the passage of this ordinance and its approval by the mayor insert in one newspaper published in the City of Cottage Grove and in one newspaper published in the City of Portland, Oregon, for three successive and consecutive weeks, a notice of the amount, denomination, rate of interest and time of payment of said bonds and inviting sealed bids for the purchase of the same, which said bids shall be received by the city recorder on or before the third day of January, 1910, at the hour of 8 o'clock p. m. of said day, each bid to be accompanied by a certified check for \$100, payable to the mayor of said city, at which time the common council shall meet and examine said bids and award and sell said bonds to the highest bidder therefor, provided that no bid for less than the par value of said bonds shall be considered and provided further that the common council shall have the right to reject any and all bids.

Section 6. The city treasurer shall deposit all money derived from the sale of water in the water fund of said city and after payment of interest on water bonds heretofore issued, shall out of the balance, pay the interest on the bonds hereby authorized and if at any time there shall be not enough money in the water fund to pay said interest the same shall be paid out of the general fund of said city, and the city treasurer is hereby authorized to pay said interest when due without further order. The principal of said bonds shall be paid out of the sinking fund provided in ordinance number 55 of said city after previous issues of water bonds have been paid.

Section 7. Whereas, the City of Cottage Grove is without adequate water supply, the health, peace and safety of the city demands that said bonds should be sold at an early date; an emergency is declared to exist and this ordinance shall be in full force and effect immediately upon its passage and approval by the mayor.

Passed by the common council this first day of November, 1909. Presented to the mayor the first day of November, 1909. Filed with the recorder, approved the first day of November, 1909.

C. H. VANDENBURG, Recorder.
B. R. Job, Mayor.

COUNTY COURT GRANTS COTTAGE GROVE PERMIT.

The county court was in session this week with the new county judge, Helmus W. Thompson, at the helm. They are working on routine business, of which there is much, and among other things, granted the city of Cottage Grove a permit to lay its gravity water mains on county roads designated in the application, under proper restrictions and regulations as to bridges and culverts, and reserving to the court absolute jurisdiction over the roads specified. They also approved the plat of Park addition to Coburg.

Want Men on Railroad Work.

The contractors on the Natron extension are still short of men, although many are going in. One of the sub-contractors sent a man to Salem to secure more help. They pay \$2.25 per day for common laborers on the grade and \$3 per day for tree fallers. Each man is supposed to furnish his own bedding, but room in the bunkhouse is provided without extra charge. Meals are furnished for 25 cents each. The usual hospital fee is also taken from the laborer's wages. The work is going along very systematically and rapidly, considering the number of men they have.

The Grove studio is now equipped with an Aristo lamp. Satisfactory pictures made at any time except the noon hour and Sundays. If you can't come in the daytime, let us know and we will be ready at your time.

Wealthiest Farmer.

The wealthiest farmer in the United States resides at Tarkio, Mo., and is David Rankin whose farm comprises 25,610 acres. He owns 12,000 fattening hogs, 9000 cattle, 800 horses, and has on his land more than 100 cottages, in which the employes of the big farm are housed. It requires to farm the vast estate machinery to the value of \$500,000.

The Singer stocking darning will work on any sewing machine. For sale by Marion Veatch.

NOTICE, NESMITH COUNTY CITIZENS

We are always busy. Every day gets busier.
We are always right and are getting righter.
Get in line and get yourself right. How will you do it? Get one of those Nifty PARISIAN SUITS.
Get one of those Nobby Hats.
Get a pair of those Snappy Shoes.
Get Staley Underwear.
Get Everwear Hosiery.
Get them all at Wheeler-Thompson Co's. and then you will be getting right. You know that when you want something good and right you have to come to us. We always have been leaders in these lines and always will, or bust a lame-string.
