Program At Shields School.

Last Friday was held an all day session of two schools. The other school was the "Blue Mountain" school, which adjoins Shields District. The forenoon was taken up in the gathering of the citizens and school children of the respective districts. At noon a bounteous feast was spread, which contained all of the good things, to be prepared by the housewives of the farmers. Each and every one ate to their fill.

In the afternoon, each school rendered an elaborate program.

The Shields school which is being taught by D. L. Rowe, rendered their program first, they entertaining the visiting school. After the closing of the above named program, Blue Mountain school, which is taught by Miss Alice McCormack, of Marcola rendered a creditable program. Both programs were excellent. The day was the closing of Blue Mountain school. Miss Roxy Pringle, of Cottage Grove, and Miss Nellie McCord, of Creswell, were in attendance at the exercises. They are both teachers of the Goshen school.

Miss McCormack's school deserves special praise for the good manner in which the pupils performed their different parts. As the Blue Mountain school was the visiting school much more embarrassing was the situation for them.

Every department of work in the Methodist church showed substantial gains Sunday. The congregations were very large, especially in the evening when the edifice was full to the doors. One adult was received into fellowship in the morning. Thirteen new scholars were enrolled at the Sabbath school session, while at the Epworth League devotional service there were no less than 93 present. At the recent business meeting of the young people's society 33 new members were admitted. The great red and blue contest is now in full swing. This is the official standing of the two sides: Reds 1185, Blues 1540. Next Sunday evening at the peoples popular service Robert Sutcliffe speaks upon "A Husband's Message to his Wife Written in the Presence of Death." This is an incident from the recent colliery explosion at Cherry, Ill., in which so many miners lost their lives.

In a week congress will be in session. Its important business for the month will be to adjourn for the holidays.

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your
Troubles. A Cottage Grove Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Cottage Grove people testify to permanent cures.

Phillip Hohl, A. street, Cottage Grove, Oregon, says: "I have used Doan's Kidney Pills and have found them very effective in curing kidney and bladder difficulties. I procured Doan's Kidney Pills at Benson's Pharmacy and they relieved me of pains in my kidneys and a stiffness in my back. I still take Doan's Kidney Pills in the spring and fall and they keep me in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
