## CHURCH NOTES AND ANNOUNCEMENTS

At the Presbyterian church next Sunday a New Year sermon will be preached in the morning. Subject, "Thy Will be Done." The session will meet at the close of the morning worship to receive new members. A general prayer meeting will be held at 6:30 preparatory to the union service in the Methodist church. Union young people's meeting at the Methodist church. For further evening services see notice of union meetings.

A service not common to the local Methodist society takes place in the church on Sunday morning at 11. There occurs at this hour the first annual roll call of the membership. As the names are called answer may be made by personal word, passage of scripture, verse of hymn or answering "present". Every one on the record should make an extra effort to be present or send written response. Sacrament of Lord's supper at the close. Some will partake of this meal for the first time. Reception of members on confession of faith. The grand old songs of Zion are to be sung. Bible school at 10. The new superintendent J. B. Simeral in charge. A class of young men will be organized by Robert Sutcliffe. All fellows not connected with any other school welcomed. Come and enjoy the feast of good things.

## A Statement.

Because of the remarkable interest manifest in the meetings being conducted by the evangelists, Kellums and Humbert, it is thought best to continue the service next week. This arrangement was wholly unplanned previous to the developments of this week. There is no antagonism or discord back of this plan. The utmost harmony and good will reigns among the churches. We sincerely regret not being able to be a part of the united effort. It seems to be too late to postpone the union services.

The Pride Home bakery, M. A. Hoxie proprietor, is distributing a very neat and original calendar for 1910 and a strictly home product. The local photographer made a good photograph of the interior of the bakery and for the Leader made a cut from it and printed it at the head of a neatly designed calendar 8 1/2 x 12 1/2 inches and placed thereon neat assorted calendar pads for the New Year. The cost was moderate—much less than for imported articles of the same size and it is a better and more appreciated advertisement for Mr. Hoxie to present to his patrons.

A little blaze in the Parker bakery caused a fire alarm to be turned in Wednesday. Little damage.
