## KANSANS ORGANIZE LOCAL ASSOCIATION

Cottage Grove, Jan. 17, 1910.

The meeting was called to order by W. C. Counter in his law office in this city Monday evening, who stated the object of the meeting to be the organization of a Kansas Association for the purpose of bringing together former residents of the sunflower state who have become residents of this city and community, for social affiliation and the perpetuation of fraternal statehood ties.

Temporary organization was effected by the selection of officers as follows: W. C. Counter, chair; W. C. Conner, Secretary; J. H. Spriggs, Treasurer.

It was suggested that committees be appointed by the chair: committee on Rules and Regulations, committee on Hall and Decorations, committee on Entertainment.

Chairman Counter announced the commitments, as follows:

A. C. Spriggs, W. C. Counter, L. A. Ralston, Rules and Regulations. Jas. Hemenway, and W. C. Conner, Hall and Decorations. Mesdames W. A. Hemenway, D. B. Chamberlen, J. H. Spriggs, F. C. Ralston, W. C. Counter, A. H. King, Cottage Grove. S. A. McKay, Creswell, entertainment.

It is the wish of the temporary officers and committees to hold an informal reception and basket dinner in some convenient hall in this city Saturday afternoon Jan. 29, 1910, in commemoration of the 49th anniversary of the admission of Kansas into statehood.

All native born Kansans and those having resided in that state not less than 5 years and their families are eligible to attend this anniversary reunion.

### Particulars in Regard to Suicide.

The Leader has learned more details concerning the suicide of Geo. W. Rainis, at this place Tuesday Jan. 11, by cutting his throat with a razor.

Instead of stepping out on the back porch of his home after bidding his children goodbye, he walked over to what is known as the Scott Chrisman place, a block south from his home, went in the yard between the woodshed and store house, cut his throat with a razor, placed it back in his pocket then sat down on the steps to the rear of the Chrisman home and died. The body was found at 2.30 o'clock by Mrs. David Markley who was in the act of calling upon her neighbor, Mrs. Tom Sears, who resides in the Chrisman home and who gave the alarm. Coroner Gordon was summoned from Eugene and that official after an investigation into the circumstances deemed an inquest unnecessary.

Before committing the deed he called on his wife who was assisting Mrs. Ed Wilson in her restaurant work that day and it was thought he intended to kill her and then suicide, but Mrs. Wilson watched him so close that he did not have an opportunity to carry out such a plan. He was addicted to the drink habit and had recently had some family trouble as a result.

He came to this city about 20 years ago and followed the barber business for many years. He was a native of Iowa, in which state he was born Sept. 14, 1854, being 55 years, 3 months and 28 days old at the time of his death. He was married at this place to Miss Rebecca Miller several years ago, and leaves a family of two sons and two daughters besides a widow. He is also survived by a sister, Mrs. Charles Wright, who resides near Walker.

The funeral services took place Wednesday forenoon at 10 o'clock from the undertaking rooms of Marion Veatch whither the body was conveyed upon discovery, the Rev. Mr. Elkins delivering a short discourse. Interment in the I. O. O. F. cemetery.

### CHURCH NOTES AND ANNOUNCEMENTS

"A business man's Religion." At the Presbyterian Church next Sunday evening. All business men, professional men, and employees are cordially invited to this service. There will be special music by the choir, an address by Rev. S. C. Adams and short talks by some of the leading men of Cottage Grove. There were thirty two persons present at the Mizpah Bible class of the Presbyterian Church, last Sunday morning. The session received one person on confession of faith. One was confirmed and five received the rite of christian baptism.

WILL ORGANIZE A GYM. The Brotherhood of the Methodist church will hold its regular meeting this Tuesday evening, when a gym. class will probably be organized with Mr. A. Brund as instructor. All desiring to join should be present at this meeting.

FINANCIAL REPORT. The finances of the Methodist church are in excellent condition. Last conference year the society paid its pastor a salary of \$1300; contributed \$531 to benevolences; paid \$110 for District Supt.; \$250 for sexton, lights and fuel, \$125 for Sunday school supplies, \$284 for conference entertainment, and met its every obligation promptly. The estimated budget for the present year is \$3000 or \$400 more than last year. The Epworth League will assist in maintaining Miss Laura Hefty, who went to China last October, in the missionary field. The League is at present educating and keeping a boy in India. It was announced Sunday evening that the Cottage Grove Epworth League is now the largest in membership of any League in this Oregon conference, not excepting Portland, Salem or Eugene.

REV. SUTCLIFF'S SALARY RAISED At the official board meeting of the Methodist church, held last week after the routine business had been transacted, the pastor was happily surprised by the announcement by Mr. F. B. Phillips, representing the estimating committee, that the pastor's salary had been voluntarily increased \$150, making his pay \$1250, which with parsonage rental, gives the Rev. Robert Sutcliffe \$1500 per annum. The members present confirmed and endorsed the action of the committee. This is certainly a substantial compliment which is duly appreciated by Rev. Sutcliffe, who by his able, vigorous and eloquent addresses has been accorded very large congregations and has already greatly increased the membership of the church and its auxiliary societies. The church under his leadership is a live and progressive one, and bids fair to experience one of the greatest and most successful year's since its organization.

BROTHERHOOD DEBATE. The Methodist Brotherhood this Tuesday evening will debate, "Resolved, That Congress should pass an act levying a \$50 per annum capitation tax on all bachelors in the U. S. between the ages of 17 and 75 years." Affirmative: W. C. Counter, Geo. M. Hall. Negative: M. H. Anderson, E. E. Hale. Francis Kurtz. Harry Short will make a stump speech which will be followed by a second debate, the question being, "Resolved, That congress should pass an act levying a \$30 per annum tax on all old maids between the ages of 13 and 73 years." Affirmative: Bertrum Applegate, H. E. Inlow, Ira L. Rowe. Negative: F. B. Phillips, Dr. J. O. Van Winkle, F. D. Wheeler.

Epworth League day will be celebrated in the Methodist church in a royal fashion the coming Sabbath. Every member of this bustling organization is to wear a beautiful ribbon emblem and occupy special reserved seats at both services. Robert Sutcliffe at 11 speaks upon the League's motto, "Look up, Lift up." Miss Jessie Berg outlines

Miss Laura Hefty's work in China. President Bertram Applegate explains how the leagues of Salem district are pledged to support this heroic young woman in her work in the old kingdom on the other side of the Pacific. An offering for this purpose will be taken. Words fail to describe the mass rally in the evening at 7:30, but few details can be given. A dozen one minute speeches on "What the League is to me" expected. A short address by one of the youngest members and another word by one of the oldest. The captains of the respective sides are to hold forth. Exhortation by the president. District superintendent Wire is to be present and will give fatherly counsel. Several young men are to be baptized and taken into the church. Selection by the ladies League quartet. Messrs Tyson and Glaze in a guitar and organo duo. Come and enjoy these uplifting assemblies.

A most enjoyable evening was spent at the Christian church last Friday when the new members of the church were given an informal reception. The following persons had a part in the brief program, Miss Verna Brown, reading; Clarence Boyd, recitation and dumb lecture; Miss Laughlin, solo; Miss Boyd recitation in special costume; Edward Finnerty, solo; Misses Jean Durward and Lottie Heals, duet. Games and refreshments also added to the pleasure of the event. The twenty-eight new members were made to feel that they have entered a church which is thrilling with life and enthusiasm. The outlook for the Christian church was never brighter. Conservative members are of the opinion that it is in a better condition, in every way, than at any previous time in its history.

Large audiences attended the morning and evening services at the Christian church last Sunday. The evening discourse was listened to with an especially profound interest. The subject was, "The Call of the Wild." Rev. Elkins dwelt at length upon the terrible attractiveness of sin and its powerful appeal to the will which is latent in human nature. He made use of "The Prodigal Son" as an example. Attention was called to the deadly results of sin—"the wages of sin is death." Sin was referred to as a paymaster who though paying in installments, yet pays in full, never discontinuing an obligation.

Next Sunday at 11 a. m. Rev. Elkins will begin a series of quiet talks about Jesus." The series will be especially appropriate, coming at a time when the Bible schools throughout the county are

taking up a study of the life of Jesus of Nazareth. Dealing with doubt, will be the evening subject. In discussing this subject the speaker will make use of the most telling archeological discoveries made in Egypt, Babylonia and Palestine. These discoveries throw great light on the creditability of the scripture. "Doubting Thomases" are especially invited to come that we may "reason together."
