No Sessation In Building.

Regardless of the inclement weather there has been no sessation in building in Cottage Grove this winter, which is an indication that the coming season will be a record breaker in this respect. Among the winter improvements is a new modern Baptist church now ready for the shingles, four pretty bungalows for W. B. Cooper, one in McFarlands addition, one in the Wynne addition and two in the Long addition to Cottage Grove. One of the latest new homes to assume definite proportion is that of G. H. Morris, son-in-law of Mrs. Knowlton who is building a beautiful bungalow on Wall street, 26x40 with a broad front porch, and modern throughout. Mr. Morris is building on the lot adjoining Mrs. Knowlton's home and will lay a concrete sidewalk fronting his property. The large Locust trees in front and the orchard in the rear will make this a very lovely home. Will Hart, the contractor, is making rapid progress on this new home assisted by his son, Otho, Sid Hamblin and Mr. Morris.

Row River Accidents.

Fred Kelly, while employed in a camp of the Brown Lumber Co. on Row river, met with an accident last week in which his right leg was broken by a swinging log. The Oregon & Southeastern train made an extra trip to the city for a surgeon. About two years ago Mr. Kelly had a leg broken in the same manner. Kelly has a wife and one child who reside with him in the camp. He is a son of Wm. Kelly.

Mrs. Altha Hatfield of Wildwood fell off a walk while going for wood the other day, breaking her right leg in two places. She is sixty-five years of age, but notwithstanding the fracture is knitting nicely and she will be about again within a reasonable length of time.

Creswell Band Minstrels.

The Creswell band boys minstrel show, which was given to a packed house in this city Saturday evening, was one of the best local talent minstrels seen here in a long time. The singing was good, the jokes new and original and the band numbers were excellent. The boys made a hit with Cottage Grove when they stepped from the train with a great banner bearing the slogan, "Nesmith county 1910." This banner they carried in their street parade and concert, when they were given a great ovation. The band was accompanied by fully twenty-five of Creswell's citizens.

As a result of the passage of the new electric light ordinance over the mayor's veto Monday evening by the councilmen, Cottage Grove will receive a light service of 33,000 candle power against the 11,000 we have been receiving and for the same or less money. Cottage Grove with its thirty acres will be the best lighted city in the valley and the Electric Light Co. will now proceed to install one of the best power and light plants at this place to be found in the upper Willamette. Another stride forward.

The Leader would have Dr. W. W. Oglesby, city health officer, understand that it is heartily in accord with his earnest endeavor to keep Cottage Grove in a sanitary and healthful condition. He is doing a good work, and that to at the expense of the friendships of old friends in many cases, for which he receives little remuneration or even commendation, but the Leader only questions the prudence of conveying through its columns or other publicity sources from time to time, that Cottage Grove has a few filthy streets, barn yards, alleys and back yards. Such articles are likely to become magnified and misinterpreted abroad.
