THE DIAMOND
As An Investment
 The man or woman who wears a diamond also
 wears an air of prosperity that is far reaching in
 its influence.
 These are Commercial times, and to BE suc-
 cessful you must LOOK it. People are always
 judged at first by their appearance.
 As an investment, the diamond is in a class by
 itself, because, outside of its intrinsic value, it has
 the added value as an adornment.
 When you are ready to buy a diamond, at what-
 ever price, there are plenty of reasons why you
 should come and see the fine line of Diamonds in
 Ear-Rings, Brooches and Rings sold at reduced
 prices on installments at
